2.2 Hourly balancing quantities must be nominated and scheduled pursuant to this Rate Schedule and Section 8 of the General Terms and Conditions of this FERC Gas Tariff. (i) TRES PALACIOS shall not be required to perform or to continue service under any Rate Schedule on behalf of any Customer or prospective Customer which is or has become insolvent or which, at TRES PALACIOS' request, fails to demonstrate creditworthiness in accordance with Section 3.3, and TRES PALACIOS may take such action as is permitted in Section 28.2 of these General Terms and Conditions; provided, however, that such Customer or prospective Customer may receive service under any Rate Schedule if it provides Financial Assurances pursuant to Section 31. For purposes of this Section 3.3(i), the insolvency of a Customer or prospective Customer shall be conclusively demonstrated by the filing by Customer, or any parent entity thereof or guarantor of Customer, of a voluntary petition in bankruptcy or the entry of a decree or order by a court having jurisdiction in the premises adjudging the Customer, or any parent entity thereof or guarantor of Customer, bankrupt or insolvent, or approving, as properly filed, a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Customer, or any parent entity thereof or guarantor of Customer, under the U.S. Bankruptcy Code or any other applicable federal or state law, or appointing a receiver, liquidator, assignee, trustee, sequestrator (or other similar official) of the Customer, or any parent entity thereof or guarantor of Customer, or of any substantial part of their property, or the ordering of the winding-up or liquidation of their affairs, with said order or decree continuing unstayed and in effect for a period of sixty (60) consecutive days. TRES PALACIOS may not take any action under this Section 3.3(i) which conflicts with any order of the U.S. Bankruptcy Court.

(j) TRES PALACIOS' determination of a Customer's or prospective Customer's creditworthiness shall be subject to the following procedures:

(1) If TRES PALACIOS requests additional information to be used for credit evaluation after the initiation of service, TRES PALACIOS, contemporaneous with the request, shall provide its reason(s) for requesting the additional information to Customer and designate to whom the response shall be sent. TRES PALACIOS and Customer may mutually agree to waive the requirements of this standard.

(2) Upon receipt of either an initial or follow-up request from TRES PALACIOS for information to be used for creditworthiness evaluation, Customer's or prospective Customer's authorized representative(s) shall acknowledge receipt of TRES PALACIOS' request. TRES PALACIOS and the Customer or prospective Customer may mutually agree to waive the requirements of this standard.

(3) Customer's or prospective Customer's authorized representative(s) shall respond to TRES PALACIOS' request for credit information, as allowed by TRES PALACIOS' tariff, on or before the due date specified in the request. Customer or prospective Customer shall provide all the credit information requested by TRES PALACIOS or provide the reason(s) why any of the requested information was not provided.

(4) Upon receipt from Customer or prospective Customer of all credit information provided pursuant to applicable NAESB WGQ standards, TRES PALACIOS shall notify the Customer's or prospective Customer's authorized representative(s) that it has received such information. TRES PALACIOS and Customer or Prospective Customer may mutually agree to waive the requirements of this standard.

(5) (i) Customer or prospective Customer shall designate up to two representatives who are authorized to receive notices regarding the Customer's or prospective Customer's creditworthiness, including requests for additional information, pursuant to the applicable NAESB WGQ standards and shall provide to TRES PALACIOS the Internet e-mail addresses of such representatives prior to the initiation of service.

Written requests and responses shall be provided via Internet e-mail, unless otherwise agreed to by the parties. The obligation of TRES PALACIOS to provide creditworthiness notifications is waived until the above requirement has been met. Customer or prospective Customer shall manage internal distribution of any creditworthiness notices that are received.

(ii) TRES PALACIOS shall designate, on its Internet Web Site or in written notices to Customer or prospective Customer, the Internet e-mail addresses of up to two representatives who are authorized to receive notices regarding Customer's or prospective Customer's creditworthiness. Customer's or prospective Customer's obligation to provide confirmation of receipt is met by sending such confirmation to such representatives, and TRES PALACIOS shall manage internal distribution of any such confirmations.

(6) At any time after Customer or prospective Customer is determined to be noncreditworthy by TRES PALACIOS, Customer or prospective Customer may initiate a creditworthiness re-evaluation by TRES PALACIOS. As part of Customer's or prospective Customer's reevaluation request, Customer or

prospective Customer shall either update or confirm in writing the prior information provided to TRES PALACIOS related to Customer's or prospective Customer creditworthiness. Such update shall include any event(s) that Customer or prospective Customer believes could lead to a material change in Customer's or prospective Customer's creditworthiness.

(7) After TRES PALACIOS' receipt of a Customer's or prospective Customer's request for re-evaluation, including all required information pursuant to NAESB WGQ Standard 0.3.8 ("Customer's Request"), within five (5) Business Days, TRES PALACIOS shall provide a written response to Customer's Request. Such written response shall include either a determination of creditworthiness status, clearly stating the reason(s) for TRES PALACIOS' decision, or an explanation supporting a future date by which a re-evaluation determination will be made. In no event shall such re-evaluation determination exceed twenty (20) Business Days from the date of the receipt of Customer's Request unless specified in TRES PALACIOS' tariff or if the parties mutually agree to some later date.

(8) In complying with the creditworthiness related notifications pursuant to the applicable NAESB WGQ standards, the Customer(s) and TRES PALACIOS may mutually agree to other forms of communication in lieu of Internet e-mail notification.

#### 3.4 Additional Information.

(a) Customer shall also promptly provide such additional Customer credit information as may be reasonably required by TRES PALACIOS, at any time during the term of service under a Service Agreement, to enable TRES PALACIOS to determine Customer's creditworthiness.

(b) After receipt of a request for service, TRES PALACIOS may require that prospective Customer furnish additional information as a prerequisite to TRES PALACIOS offering to execute a Service Agreement with such prospective Customer. Such information may include proof of prospective Customer's lawful right and/or title to cause the Gas to be delivered to TRES PALACIOS for service under this FERC Gas Tariff and of prospective Customer's contractual or physical ability to cause such Gas to be delivered to and received from such prospective Customer's designated Point(s) of Delivery and/or Receipt.

(c) Should a Customer or a prospective Customer desire TRES PALACIOS to provide service pursuant to Section 311 of the Natural Gas Policy Act, it shall provide to TRES PALACIOS a statement warranting that it complies with all requirements for receiving service pursuant to Section 311 and FERC's regulations thereunder, including, but not limited to, compliance with the "on-behalf-of" requirement then in effect.

3.5 Request Validity. If TRES PALACIOS has tendered a Service Agreement for execution to a prospective Customer and such prospective Customer fails to execute the agreement as tendered within 30 consecutive

days from the date it receives the agreement, TRES PALACIOS may consider prospective Customer's service request void. For service under Rate Schedule FSS, FWS, NNSS, FP or FL, TRES PALACIOS will not be required to tender a Service Agreement to a prospective Customer for execution that relates to requests for service for which TRES PALACIOS does not have sufficient available firm capacity.

3.6 Customer's Performance. Customer is required to provide to TRES PALACIOS information identifying (1) the State of the source of Gas that is to be stored and/or transported and (2) such other information if required in order for TRES PALACIOS to comply with any FERC reporting or other requirements.

3.7 Complaints. In the event that a Customer or prospective Customer has a complaint relative to service under this FERC Gas Tariff, the Customer or prospective Customer shall provide a description of the complaint, including the identification of the service request (if applicable), and communicate it to:

6.4 GENERAL TERMS AND CONDITIONS - CAPACITY RELEASE

4. CAPACITY RELEASE

Any Customer under Rate Schedules FSS, FWS, NNSS, FP or FL may seek to release to others any or all of its firm service entitlements on a full Day or an intraday basis, on a permanent or a temporary basis, and on a firm or recallable basis, subject to the following terms and conditions:

4.1 Notice of Offer. A Customer offering to release firm service entitlements shall post the terms of its proposed release on TRES PALACIOS' Internet Web Site by the posting deadline as determined pursuant to Section 4.3 herein. If Customer is unable to post such information on TRES PALACIOS' Internet Web Site, Customer shall notify TRES PALACIOS via the Internet Web Site of the terms of its offer, by the posting deadline as determined pursuant to Section 4.3 herein, and TRES PALACIOS will post this information on the Internet Web Site. The Customer may propose a designated Pre-arranged Replacement Customer to which the capacity would be released. Offers shall be binding until notice of withdrawal is received by TRES PALACIOS on its Internet Web Site. Customer shall have the right to withdraw its offer during the bid period, where unanticipated circumstances justify and no minimum bid has been made. The notice must contain the reason for withdrawal which TRES PALACIOS shall post on the Internet Web Site. The offer shall contain the following minimum information:

(a) Customer's legal name and the name/title of individual who has authorized the offer to release;

(b) TRES PALACIOS' Service Agreement number;

(c) A description of the capacity to be released, including the Maximum Storage Quantity, Maximum Daily Firm Wheeling Quantity, No-Notice Maximum Daily Quantity, Maximum Park Quantity or Maximum Loan Quantity, as applicable, and the Maximum Daily Receipt Quantity, the Maximum Daily Delivery Quantity, the Maximum Daily Injection Quantity, and the Maximum Daily Withdrawal Quantity and the associated Point(s) of Receipt and Point(s) of Delivery (Replacement Customer may request changes to such Receipt and Delivery Point(s) subject to the proposed release and subject to the daily quantity limitations described in Section 4.2 below);

(d) The proposed effective date and term of the release;

(e) The identity of any designated Pre-arranged Replacement Customer (pursuant to Section 4.4), a statement as to whether the Pre-arranged Replacement Customer is an asset manager (as defined by FERC regulations at 18 C.F.R. § 284.8(h)(3)) or marketer participating in a state-regulated retail access program (as defined by FERC regulations at 18 C.F.R. § 284.8(h)(4)), and the full terms of such pre-arranged release;

(f) The method to be applied in evaluating bids, allocating capacity and breaking ties, as described below;

(g) Whether, to what extent, and the conditions pursuant to which capacity will be subject to recall for a full Day or a partial Day; if recallable, (1) whether the Releasing Customer's recall notification must be provided exclusively on a Business Day, and (2) any reput methods and rights associated with returning the previously released capacity to the Replacement Customer;

(h) Whether bids on a volumetric rate basis may be submitted, and, if so, the method for evaluating any such bids, including how to rank bids if bids are also to be accepted on a demand charge basis, and any other special conditions;

(i) Whether contingent bids that extend beyond the bid period may be submitted, how to evaluate and prioritize such bids against non-contingent bids, and the terms and conditions under which, and/or for what time period, the next highest bidder will be obligated to acquire the capacity should the winning contingent bidder withdraw its bid;

(j) Any extensions of the minimum posting/bid periods;

(k) Whether Releasing Customer desires to utilize the first-come, first-served option for short-term releases described in Section 4.6 below and any minimum terms applicable thereto;

(l) Other special terms and conditions Releasing Customer imposes on the release of its capacity, including, but not limited to, minimum rates, term and quantity;

(m) For a non-index based release, whether to specify dollars and cents or percents of rates in the denomination of bids or, for an index-based release, the offer shall specify the index-based formula;

(n) Whether the release is on a permanent or a temporary basis;

(o) An e-mail address for the Releasing Customer contact person. It is Customer's responsibility to update e-mail address information provided to TRES PALACIOS, as necessary;

(p) The recall notification period(s), as identified in Section 4.13(e) below, that will be available for use by the parties and

(q) A description of any Storage Inventory that must be transferred with released storage capacity, including (i) the quantity of Gas in Storage Inventory to be transferred to the Replacement Customer at the beginning of the release term, (ii) the quantity of Gas which Replacement Customer is to cause to be in the Storage Inventory to be transferred to the Releasing Customer at the end of the release term, (iii) the price(s) (if applicable) to be paid by the Replacement Customer to the Releasing Customer and/or by the Releasing Customer to the Replacement Customer for the transfers of Gas in Storage Inventory described in items (i) and (ii), and (iv) any other reasonable conditions that the Releasing Customer chooses to place on the storage inventory transfers.

4.2 Intraday Release Quantity. The daily contractual entitlement that can be released by a Releasing Customer for an intraday release is limited to the lesser of:

(a) the quantity contained in the offer submitted by the Releasing Customer; or

(b) a quantity equal to 1/24th of the Releasing Customer's MDFWQ, MDIQ and/or MDWQ (or such other relevant hourly quantity specified in Customer's Service Agreement) for the contract to be released multiplied by the number of hours between the effective time of the release and the end of the Day.

This allocated daily contractual entitlement shall be used for purposes of nominations, billing, and if applicable, for overrun calculations.

The MSQ, Maximum Park Quantity or Maximum Loan Quantity that can be released by a Releasing Customer for an intraday release is limited to a quantity not in excess of the Releasing Customer's MSQ, Maximum Park Quantity or Maximum Loan Quantity, less the Releasing Customer's Storage Inventory or Loan Balance.

4.3 Posting and Bidding Timeline. For the Capacity Release business process timing model, only the following methodologies shall be supported by TRES PALACIOS and provided to Releasing Customers as choices from which they may select and, once chosen, shall be used in determining the awards from the bid(s) submitted. They are: 1) highest rate, 2) net revenue and 3) present value. For index-based capacity release transactions, the Releasing Customer shall provide the necessary information and instruction to support the chosen methodology. Other choices of bid evaluation methodology (including other Releasing Customer defined evaluation methodologies) can be accorded similar timeline evaluation treatment at TRES PALACIOS' discretion; however, TRES PALACIOS is not required to offer other choices or similar timeline treatment for other choices. Further, TRES PALACIOS shall not be held to the timeline specified in Sections 4.3(a) and 4.3(b) below should the Releasing Customer elect another method of evaluation. Should the Releasing Customer elect another method of evaluation, the timeline specified in Section 4.3(c) below shall apply. The proposed duration of Customer's release determines the minimum bid period for the Customer's offer pursuant to this Section 4. The Capacity Release timeline is applicable to all parties involved in the Capacity Release process provided that: (i) all information provided by the parties to the transaction is valid and the Replacement Customer has been determined to be creditworthy before the capacity release bid is tendered, (ii) for index-based capacity release transactions, the Releasing Customer has provided TRES PALACIOS with sufficient instructions to evaluate the corresponding bid(s) according to the timeline, and (iii) there are no special terms or conditions of the release. Further, TRES PALACIOS may complete the capacity release process on a different timeline if the offer includes unfamiliar or unclear terms and conditions (e.g., designation of an index not supported by TRES PALACIOS).

The Capacity Release timeline is as follows:

(a) For biddable releases (one (1) year or less):

- Offers should be tendered such that they can be posted by 9:00 a.m. on a Business Day.
- Open season ends at 10:00 a.m. on the same or a subsequent Business Day.
- Evaluation period begins at 10:00 a.m. during which any contingencies are eliminated, determination of best Bid is made, and ties are broken.
- If no match is required, the evaluation period ends and the Award is posted by 11:00 a.m.
- Where match is required, the match is communicated by 11:00 a.m., the match response occurs by 11:30 a.m., and the Award is posted by 12:00 Noon.

TRES PALACIOS will issue a contract within one hour of the award posting (with a new contract number, when applicable). Nominations for Gas flow are possible beginning at the next available nomination cycle for the effective date of the contract. Such nominations will be processed in accordance with the nomination and scheduling requirements of Section 8 of the General Terms and Conditions; however, in no circumstance will Gas flow prior to the effective date of the release as specified in Releasing Customer's offer.

(b) For biddable releases (more than one (1) year):

- Offers should be tendered such that they can be posted by 9:00 a.m. on a Business Day.
- Open season shall include no less than three 9:00 a.m. to 10:00 a.m. time periods on consecutive Business Days.
- Evaluation period begins at 10:00 a.m. during which any contingencies are eliminated, determination of best Bid is made, and ties are broken.
- If no match is required, the evaluation period ends and the Award is posted by 11:00 a.m.
- Where match is required, the match is communicated by 11:00 a.m., the match response occurs by 11:30 a.m., and the Award is posted by 12:00 Noon.

TRES PALACIOS will issue a contract within one hour of the award posting (with a new contract number, when applicable). Nominations for Gas flow are possible beginning at the next available nomination cycle for the effective date of the contract. Such nominations will be processed in accordance with the nomination and scheduling requirements of Section 8 of the General Terms and Conditions; however, in no circumstance will Gas flow prior to the effective date of the release as specified in Releasing Customer's offer.

(c) Timeline for Non-standard Releases. If Customer specifies a bid evaluation methodology other than those stated in Section 4.7 or specifies any special terms or conditions, the above timelines shall apply; provided, however, one additional Business Day will be added to

the evaluation period. Subsequent deadlines will be delayed by such additional Business Day, causing Gas flow to occur at least one Day later than under the standard timelines set forth in Sections 4.3(a) and 4.3(b).

(d) Releases Not Subject to Bidding. Prearranged capacity releases of a duration of thirty-one (31) Days or less, to an asset manager (as defined by FERC regulations at 18 C.F.R. § 284.8(h)(3)) or to a marketer participating in a state-regulated retail access program (as defined by FERC regulations at 18 C.F.R. § 284.8(h)(4)) are not required to be posted for bidding pursuant to Section 4.3. Nonetheless, Releasing Shipper may elect to post one of the foregoing releases for bidding pursuant to Section 4.3. Releasing Customer shall notify TRES PALACIOS of the foregoing releases by providing the information pursuant to Section 4.1, which information will be posted on the Internet Web Site (as required by Section 4.5).

For non-biddable releases: the posting of prearranged deals that are not subject to bid are due no later than one hour prior to the nomination deadline for the applicable cycle, pursuant to NAESB WGQ Standard No. 1.3.2. The posting deadlines are:

- Timely Cycle                    12:00 Noon
- Evening Cycle                    5:00 p.m.
- Intraday 1 Cycle                9:00 a.m.
- Intraday 2 Cycle                1:30 p.m.
- Intraday 3 Cycle                6:00 p.m.

Prior to the nomination deadline for the chosen cycle for the begin date specified in the Releasing Customer's notice, the Prearranged Replacement Customer must initiate confirmation of prearranged deals electronically. TRES PALACIOS will issue a contract within one hour of notification of the release (with a new contract number, when applicable). Nominations for Gas flow are possible beginning at the next available nomination cycle for the effective date of the contract. Such nominations will be processed in accordance with the nomination and scheduling requirements of Section 8 of the General Terms and Conditions; however, in no circumstance will Gas flow prior to the effective date of the release as specified in Releasing Customer's offer. If a release of capacity is exempt from bidding because it is for a term of thirty-one (31) days or less, a Releasing Shipper may not roll-over, extend, or in any way continue the release to the same Replacement Shipper using the thirty-one (31) day or less bidding exemption, unless the Releasing Shipper complies with the posting and bidding requirements of Section 4.3 or not less than twenty-eight (28) days have elapsed since the conclusion of the prior release period.

TRES PALACIOS shall post offers and bids, including pre-arranged deals, upon receipt, unless Releasing Customer requests otherwise. If Releasing Customer requests a posting time, TRES PALACIOS shall support such request insofar as it comports with the standard timeline. A Releasing Customer cannot specify an extension of the original bid period or the pre-arranged deal match period, without posting a new release.

4.4 Pre-arranged Releases. Releasing Customer may designate an entity (a designated "Pre-arranged Replacement Customer") to which it has agreed to release the capacity upon specified terms and conditions. Customer's offer to release under such a pre-arranged transaction shall be subject to the prior posting and bidding procedures described in Sections 4.5 and 4.6, herein, with the designated Pre-arranged Replacement Customer being given a right to match the best bid submitted during the bid period; provided, however, if a pre-arranged transaction with a Pre-arranged Replacement Customer is for a period of thirty-one (31) Days or less, to an asset manager (as defined by FERC regulations at 18 C.F.R. § 284.8(h)(3)) or to a marketer participating in a state-regulated retail access program (as defined by FERC regulations at 18 C.F.R. § 284.8(h)(4)), the Releasing Customer shall provide notice to TRES PALACIOS in accordance with this Section and may implement the release without complying with such prior posting and bidding procedures. Notices of such exempted releases shall be posted on the Internet Web Site in accordance with Section 4.3 herein.

4.5 Posting. Following receipt of a notice of offer to release capacity which satisfies the requirements set forth in this Section, TRES PALACIOS will post such information on its Internet Web Site in accordance with the timeline set forth in Section 4.3 herein. TRES PALACIOS shall also post offers to purchase capacity from those who desire current Customers to release capacity upon receipt of the applicable information as set forth below.

Any party desiring to acquire released firm storage capacity pursuant to this Section 6.4 must submit its purchase offer information to TRES PALACIOS in accordance with instructions posted on the Internet Web Site under Notices-Request to Purchase Releasable Capacity, by e-mail to the address specified in the instructions. Such requests must include, at a minimum, the prospective Replacement Customer's contact information, quantity(ies) requested, desired date range, location information, other terms and conditions specified by the prospective Replacement Customer, and any additional information required by TRES PALACIOS. Upon receipt of a complete offer to purchase releasable capacity from a prospective Replacement Customer, TRES PALACIOS will post the offer on the public Informational Postings section of its Internet Web Site under Notices-Request to Purchase Releasable Capacity. TRES PALACIOS shall maintain purchase offer postings for a minimum of 30 days or until the prospective Replacement Customer asks TRES PALACIOS to remove the posting.

#### 4.6 Bidding and Selection of Replacement Customer.

(a) If Releasing Customer desires to solicit bids for releases of thirty-one (31) Days or less, it may direct TRES PALACIOS to post notice of the availability of such capacity and, in lieu of permitting bids during the otherwise applicable posting period, Releasing Customer may direct TRES PALACIOS to award the capacity to the bidder which submits first in time a valid bid meeting any minimum terms specified by the Releasing Customer.

(b) Any bid submitted by a prospective Replacement Customer shall include an e-mail address for at least one contact person, and it is the Customer's responsibility to update e-mail address information

provided to TRES PALACIOS, as necessary. A bidder may not have more than one eligible bid for the same release offer at any time. Bids shall be binding until notice of withdrawal is received by TRES PALACIOS on its Internet Web Site, before the end of the bid period. Bids cannot be withdrawn after the bid period ends. Once a bid is withdrawn, that bidder may only submit a new bid pursuant to that release offer if it is at a higher rate than the withdrawn bid.

(c) TRES PALACIOS shall evaluate the bids in accordance with the provisions of Section 4.7 and determine the best bid in accordance with the timelines set forth in Section 4.3 herein. TRES PALACIOS shall notify Releasing Customer, the best bidder, and any designated Pre-arranged Replacement Customer of such determination in accordance with the timelines set forth in Section 4.3 herein. If there is a designated Pre-arranged Replacement Customer, it may exercise its right to match such best bid by providing written notice of such exercise to TRES PALACIOS and Releasing Customer in accordance with the timelines set forth in Section 4.3 herein. After the Replacement Customer is selected, TRES PALACIOS will finalize an appropriate Addendum to the Capacity Release Umbrella Agreement in the form contained in this FERC Gas Tariff. TRES PALACIOS will provide a copy of this Addendum to the Replacement Customer via e-mail, at which time the Replacement Customer will have the same rights and obligations as any other existing Customer on TRES PALACIOS' system. Following implementation of the release, TRES PALACIOS shall post notice of the winning bidder on the Internet Web Site.

4.7 Best Bid. When TRES PALACIOS makes awards of capacity for which there have been multiple bids meeting minimum conditions, TRES PALACIOS shall award the bids, best bid first, until all offered capacity is awarded. The capacity being awarded represents the Maximum Daily Injection Quantity, Maximum Daily Withdrawal Quantity, Maximum Storage Quantity or Maximum Daily Firm Wheeling Quantity. These quantities are separate parts of the capacity and are awarded until one of the quantities is fully awarded, at which point all capacity is deemed to be fully awarded. TRES PALACIOS shall evaluate and determine the best bid among those otherwise consistent with any terms and conditions specified by the Releasing Customer as follows:

(a) TRES PALACIOS shall apply the standard or criteria for such determination specified by the Releasing Customer, including the standard to be used for breaking ties. Any standard or criteria so specified must be objective, economic, not unduly discriminatory, not contrary to applicable provisions of this FERC Gas Tariff, applicable to all prospective Replacement Customers and require TRES PALACIOS in applying such standard to exercise no more than a ministerial function. The Releasing Customer shall indemnify and hold TRES PALACIOS harmless from and against all demands, losses, claims, expenses, causes of action and/or damages suffered or incurred by TRES PALACIOS arising out of or related to any determination of a "best bid" pursuant to a standard specified, supplied, approved or provided by Releasing Customer.

(b) In default of Releasing Customer specifying a bid evaluation standard, TRES PALACIOS shall determine the bid or bids generating the highest net present value, using a 10% discount factor,

based on the rate bid (reservation or demand component), the applicable quantity(ies) and term or period bid upon. In default of Releasing Customer specifying a method to break ties priority will be given first to the bid with the shortest term, and next to the bid submitted first in time.

4.8 Qualification of Prospective Replacement Customer. A prospective Replacement Customer must be on TRES PALACIOS' approved bidders list before bids may be posted on the Internet Web Site, must satisfy all requirements of the applicable Rate Schedule and the General Terms and Conditions of this FERC Gas Tariff and must have executed a Capacity Release Umbrella Agreement. To be on the approved bidders list, the prospective Replacement Customer must satisfy TRES PALACIOS' credit requirements as outlined in Section 3 of the General Terms and Conditions, and, if applicable, provide the information required by Section 3 of the General Terms and Conditions. TRES PALACIOS will apply its creditworthiness criteria to assess the submission. Such credit appraisal shall be reevaluated and updated every three (3) months. The prospective Replacement Customer shall remain on the approved bidders list until such prospective Replacement Customer (i) notifies TRES PALACIOS to the contrary, (ii) no longer meets the credit qualifications established in Section 3 of the General Terms and Conditions, or (iii) is suspended from the approved bidders list in the event, and for such time as, such Replacement or Prearranged Replacement Customer fails to pay part or all of the amount of any bill for service in accordance with Section 14 of the General Terms and Conditions. TRES PALACIOS will waive the creditworthiness requirement on a non-discriminatory basis for Replacement Customers and permit them to submit bids, if the Releasing Customer provides TRES PALACIOS with a guarantee or other form of credit assurance in form and substance satisfactory to TRES PALACIOS of all financial obligations of the Replacement Customer with respect to the capacity being released by Releasing Customer prior to the commencement of service to the Replacement Customer. TRES PALACIOS shall not award capacity release offers to a prospective Replacement Customer until and unless the Customer meets TRES PALACIOS' creditworthiness requirements applicable to all services that it receives from TRES PALACIOS, including the service represented by the capacity release.

4.9 Nominations. Following its selection, and prior to the flow of Gas, the Replacement Customer shall be permitted to submit nominations pursuant to the terms and conditions of the applicable Rate Schedule and the General Terms and Conditions of this FERC Gas Tariff.

4.10 Billing. The Replacement Customer shall be billed and make payments to TRES PALACIOS in accordance with the applicable Rate Schedule, other provisions of this FERC Gas Tariff and of its Service Agreement incorporating its bid terms. In accordance with the terms of the release, the Replacement Customer shall pay or be liable for the usage charges (plus all applicable surcharges, Fuel Reimbursement, taxes, penalties, etc.) applicable under the relevant Rate Schedule attributable to its usage of the released capacity. TRES PALACIOS shall continue to bill the Releasing Customer all applicable charges under its existing Service Agreement, excluding usage charges (plus all applicable surcharges, Fuel Reimbursement, taxes, penalties, etc.) billed to the Replacement Customer and attributable to Replacement Customer's usage of the released capacity. Invoices sent to the Releasing Customer shall reflect a credit equal to any reservation charges (plus all surcharges applicable thereto) being billed to the

Replacement Customer for the released capacity rights, or as otherwise agreed. If the Replacement Customer fails to pay when due all or part of the amounts credited to the Releasing Customer, TRES PALACIOS shall pursue payment from the Replacement Customer by notifying such Customer by registered letter, return receipt requested, that it has five (5) days from receipt of such letter to pay the amount due including any applicable interest. If the Replacement Customer fails to pay such amount by the end of the fifth day, TRES PALACIOS shall reverse the credit and bill the Releasing Customer for such past due amounts, plus applicable interest.

#### 4.11 Rights and Obligations of the Parties.

(a) The Service Agreement between the Releasing Customer and TRES PALACIOS shall remain in full force and effect with the Releasing Customer to receive a credit to its invoice as described in Section 4.10 above. If the Replacement Customer fails to pay all or part of the amounts credited to the Releasing Customer after the five Day notification period specified in Section 4.10, TRES PALACIOS shall reverse the credit and bill the Releasing Customer for such past due amounts, plus applicable interest. The Service Agreement executed by the Replacement Customer shall be fully effective and enforceable by and against the Replacement Customer. The Replacement Customer may also release capacity pursuant to this Section, and in such event and for such purposes, shall be considered the Releasing Customer.

(b) TRES PALACIOS shall accept nominations, schedule service, afford priority of service and interrupt service based on instructions and communications from the Releasing Customer and the Replacement Customer which are consistent with one another and with the terms and conditions of TRES PALACIOS' FERC Gas Tariff and their respective Service Agreements. In the event that instructions or nominations from the Releasing Customer and Replacement Customer are, in TRES PALACIOS' opinion, inconsistent or conflicting, TRES PALACIOS shall comply with the instructions of the Releasing Customer; provided, however, that such instructions must not be inconsistent with TRES PALACIOS' FERC Gas Tariff or the terms of either the Releasing Customer's or Replacement Customer's Service Agreement, in TRES PALACIOS' opinion. The Releasing Customer will indemnify TRES PALACIOS against any claim or suit by the Replacement Customer, its successors or assigns arising from any action taken by TRES PALACIOS in reliance upon the Releasing Customer's nominations and instructions and will hold TRES PALACIOS harmless for any action taken by TRES PALACIOS in reliance upon the nominations and scheduling instructions of the Replacement Customer; provided, however, that the Releasing Customer shall not be liable for the Replacement Customer's failure to pay the usage charges (plus all applicable surcharges, Fuel Reimbursement, taxes, penalties, etc.) billed to the Replacement Customer and attributable to its usage of the released capacity. The Replacement Customer will indemnify TRES PALACIOS against any claim or suit by the Releasing Customer, its successors or assigns, arising from any action taken by TRES PALACIOS in reliance upon the nominations and scheduling instructions of the Replacement Customer and will hold TRES PALACIOS harmless for any actions taken by TRES PALACIOS in reliance upon the instructions of the Releasing Customer.

4.12 Marketing Fee. If TRES PALACIOS and the Releasing Customer so agree, TRES PALACIOS may receive a negotiated fee for its marketing efforts.

4.13 Limitations.

(a) Releases and assignments hereunder shall be for period(s) of one or more Day(s) and the maximum term shall not extend beyond the expiration of this FERC Gas Tariff provision or beyond the expiration of the Releasing Customer's Service Agreement.

(b) TRES PALACIOS may invalidate any offer to release or any bid subsequent to its posting on the Internet Web Site which does not conform to the requirements of this Section and the other provisions of this FERC Gas Tariff and such invalidated offer or bid shall be deemed null and void.

(c) Any terms and conditions imposed on the offer to release by the Releasing Customer as provided for in this Section 4 must be objectively stated, reasonable, capable of administration or implementation by TRES PALACIOS without any material increase in burden or expense, applicable to all potential bidders, not unduly discriminatory, and consistent with the terms and conditions of this FERC Gas Tariff and Releasing Customer's Service Agreement.

(d) A Releasing Customer may re-release to the same Replacement Customer, where such first release was not subject to posting and bidding pursuant to Section 4.4, for a term of 31 Days or less, only if: 1) a period of 28 Days has elapsed after the first release for 31 Days or less has expired or 2) the Point(s) of Receipt and/or Point(s) of Delivery for the re-release is (are) different from the Point(s) of Receipt and/or Point(s) of Delivery of the first release or 3) the Releasing Customer causes the posting of an offer to release capacity or of a pre-arranged transaction to be made, and capacity is allocated on the basis of bids submitted.

(e) Recall Provisions. If the Releasing Customer retains recall rights, Releasing Customer's offer to release capacity shall clearly specify the conditions precedent to such recall and whether the recall right retained by Releasing Customer is on a full Day or partial Day basis. The Releasing Customer shall provide capacity recall notification to TRES PALACIOS via the Internet Web Site. The recall notification shall specify the recall notification period for the specified effective Day, as well as any other information needed to uniquely identify the capacity being recalled. TRES PALACIOS shall support the following recall notification periods for all released capacity subject to recall rights:

(1) Timely Recall Notification:

(A) A Releasing Customer recalling capacity should provide notice of such recall to TRES PALACIOS and the first Replacement Customer no later than 8:00 A.M. CCT on the Day that Timely Nominations are due;

(5) Intraday 2 Recall Notification:

(A) A Releasing Customer recalling capacity should provide notice of such recall to TRES PALACIOS and the first Replacement Customer no later than 12:00 P.M. CCT on the Day that Intraday 2 Nominations are due;

(B) TRES PALACIOS shall provide notification of such recall to all affected Replacement Customers no later than 1:00 P.M. CCT on the Day that Intraday 2 Nominations are due;

(6) Intraday 3 Recall Notification:

(A) A Releasing Customer recalling capacity should provide notice of such recall to TRES PALACIOS and the first Replacement Customer no later than 4:00 P.M. CCT on the Day that Intraday 3 Nominations are due;

(B) TRES PALACIOS shall provide notification of such recall to all affected Replacement Customers no later than 5:00 P.M. CCT on the Day that Intraday 3 Nominations are due.

For recall notification provided to TRES PALACIOS prior to the recall notification deadline specified above and received between 7:00 A.M. CCT and 5:00 P.M. CCT, TRES PALACIOS shall provide notification to all affected Replacement Customers no later than one hour after receipt of such recall notification. For recall notification provided to TRES PALACIOS after 5:00 P.M. CCT and prior to 7:00 A.M. CCT, TRES PALACIOS shall provide notification to all affected Replacement Customers no later than 8:00 A.M. CCT after receipt of such recall notification.

TRES PALACIOS' notices of recalled capacity to all affected Replacement Customers shall be provided via the Internet Web Site, along with written notice via e-mail communication to those Replacement Customer contact person(s) identified in the Replacement Customer's bid submitted pursuant to Section 4.6 of these General Terms and Conditions. Such notices shall contain the information required to uniquely identify the capacity being recalled, and shall indicate whether penalties will apply for the Day for which quantities are reduced due to a capacity recall. Upon receipt of notification of the recall from TRES PALACIOS, each affected Replacement Customer shall revise its nominations within the applicable nomination cycle in order to implement the recall. Each affected Replacement Customer will be solely responsible for adjusting its supply and transportation arrangements, which may be necessary as a result of such recall. Replacement Customers involved in re-release transactions may receive notice slightly after the first Replacement Customer receives notice. The recalling Releasing Customer may nominate the recalled capacity consistent with the applicable nomination cycle, as defined in Section 8.2(f) of these General Terms and Conditions.

(f) Partial Day Recall Quantity. The daily contractual entitlement that can be recalled by a Releasing Customer for a partial Day recall is a quantity equal to the lesser of:

(1) The quantity specified in the Releasing Customer's notice to recall capacity; or

(2) The difference between the quantity released by the Releasing Customer and the Elapsed Prorata Capacity.

In the recall notification provided to TRES PALACIOS by the Releasing Customer, the quantity to be recalled shall be expressed in terms of the adjusted total released capacity entitlements based upon the

Elapsed Prorata Capacity. In the event of an intraday capacity recall, TRES PALACIOS shall determine the allocation of capacity between the Releasing Customer and the Replacement Customer(s) based upon the Elapsed Prorata Capacity.

The amount of capacity allocated to the Replacement Customer(s) shall equal the original capacity released quantity less the recalled capacity. This allocated daily contractual quantity shall be used for purposes of nominations, billing, and, if applicable, for overrun calculations. As a result of the allocation of capacity described in this Section, TRES PALACIOS shall not be obligated to deliver a combined quantity to the Releasing Customer and the Replacement Customer(s) that is in excess of the total daily contract quantity of the release.

(g) Reput Provisions. TRES PALACIOS shall support the function of reputing by the Releasing Customer. The Releasing Customer may reput previously recalled capacity to the Replacement Customer pursuant to the reput rights and methods identified in the Releasing Customer's Notice to release capacity, as required by Section 4.1(g). When capacity is recalled, such capacity may not be reput for the same Day. The deadline for the Releasing Customer to notify TRES PALACIOS of a reput of capacity is 8:00 A.M. CCT to allow the Replacement Customer to submit timely nominations for gas to flow on the next Day.

(h) Following the awarding of capacity to a Replacement Customer in accordance with the procedures provided in this Section 4, the Releasing Customer's rights and TRES PALACIOS' obligations under the Releasing Customer's Service Agreement shall be modified and subject to the capacity rights released and assigned to the Replacement Customer for the term of such release. Effecting a release pursuant to the provisions of this Section 4 shall constitute Releasing Customer's consent and agreement to such amendment or modification of its existing Service Agreement.

(i) The offer to release must specify the quantities of MDDQ, MDRQ, MSQ (or No-Notice Maximum Daily Quantity, Maximum Park Quantity or Maximum Loan Quantity, as applicable), MDFWQ, MDIQ, MDWQ or rights offered, and actually available on the effective date of the assignment, and the exercise of which rights, in conjunction with Releasing Customer's exercise of its retained rights, will not violate any maximum or minimum quantity requirements or limitations applicable under the Rate Schedule or the respective Service Agreements. Releasing Customer shall be responsible for ensuring that the Firm Service quantities offered for release shall be available upon the commencement of the release, in accordance with the terms and conditions of the applicable Rate Schedule. A Replacement Customer under Rate Schedules FSS, FWS, NNSS, FP or FL shall be responsible for arranging transportation to and from the Point(s) of Receipt and Point(s) of Delivery consistent with its rights and obligations under its Service Agreement and Rate Schedules FSS, FWS, NNSS, FP or FL. The Replacement Customer must comply with all obligations imposed under such Rate Schedule and its rights to store, withdraw and/or inject Gas will be subject to the provisions thereof. If the Releasing Customer proposes to, or requires a transfer-in-place of the portion of its Storage Inventory in conjunction with its release and assignment of

storage capacity rights, it shall so specify in its offer to release and such transfer shall be implemented contemporaneously with the release and assignment subject to compliance with the provisions of Section 20 of these General Terms and Conditions. The Replacement Customer must withdraw the portion of its Maximum Storage Quantity by the end of the term of the release. In lieu of withdrawing the portion of its Storage Inventory, the Replacement Customer can also attempt to effect a transfer of the portion of its Storage Inventory to another storage service Customer as provided in Section 20 of these General Terms and Conditions. If the Replacement Customer fails to withdraw or transfer the portion of its Storage Inventory by the end of the term of its release, title to the portion of Customer's remaining Storage Inventory will be vested, at no cost, in the Releasing Customer which released its capacity to the Replacement Customer on a temporary basis.

#### 4.14 TRES PALACIOS' Rights to Terminate Temporary Capacity Releases.

(a) In the event of a temporary release for which (1) TRES PALACIOS has given notice of termination of the Releasing Customer's Service Agreement pursuant to Section 28 of these General Terms and Conditions and (2) the reservation charge specified in the effective Addendum to the Replacement or Prearranged Replacement Customer's Capacity Release Umbrella Agreement is less than the level of the reservation charge which the Releasing Customer was obligated to pay TRES PALACIOS, then TRES PALACIOS shall be entitled to terminate the Addendum, upon 30 days' written notice to the Replacement or Prearranged Replacement Customer, unless the Replacement or Prearranged Replacement Customer agrees prior to the end of said 30-day notice period to pay for the remainder of the term of the Addendum either (i) the reservation and commodity charges at levels which the Releasing Customer was obligated to pay TRES PALACIOS, or (ii) such rate as mutually agreed by TRES PALACIOS and Replacement or Prearranged Replacement Customer. Customer may elect to pay the lesser of the two foregoing options. TRES PALACIOS' right to terminate the Addendum is subject to TRES PALACIOS providing written notice of termination to the Replacement or Prearranged Replacement Customer within 30 days of the determination by TRES PALACIOS that the Releasing Customer no longer satisfies TRES PALACIOS' credit requirements. Termination of the Addendum shall not occur prior to termination of the Releasing Customer's contract.

(b) In the event that a Customer has received 30 days' notice of termination of the Addendum to Customer's Capacity Release Umbrella Agreement pursuant to Section 4.14(a) above for storage service and there is Gas in storage for Customer's account at the end of such 30-day period, the Addendum shall continue in force and effect for the sole purpose of withdrawal of said Gas by Customer until Customer's Storage Inventory is zero. TRES PALACIOS shall require Customer to withdraw each Day a quantity equal to the MDWQ, or such other lesser quantity acceptable to TRES PALACIOS. The requirement to withdraw storage quantities shall be suspended on any Day to the extent that TRES PALACIOS cannot accommodate a nomination or withdraw such storage quantities on such Day. Customer may also transfer title of Gas remaining in Customer's Storage Inventory to another Customer pursuant to Section 20 of TRES PALACIOS' General Terms and Conditions. In the

event Customer fails to withdraw its entire Storage Inventory within the time required by this Section, TRES PALACIOS shall auction any remaining Storage Inventory and credit the proceeds of such sale to Customer, net of withdrawal charges and fuel, if applicable. Customer shall indemnify TRES PALACIOS and hold it harmless from all costs, damages and liabilities arising out of the failure of Customer to remove such Storage Inventory and the disposal of such Storage Inventory by sale by TRES PALACIOS. TRES PALACIOS shall post such quantities on the Internet Web Site as soon as reasonably practicable. TRES PALACIOS shall accept bids only during the time period from 7:00 a.m. until 11:00 a.m. CCT on the second Business Day following such posting. Prior to 4:00 p.m., CCT of the same Day, TRES PALACIOS shall notify the Customer submitting the highest bid. When the Gas is purchased at auction, Customer purchasing the Gas must provide identification of the existing Service Agreement with TRES PALACIOS under which Customer shall store all such Gas purchased. Customer purchasing the Gas agrees to pay the applicable storage rate on the Gas purchased beginning on the date the bid was accepted at auction.

(c) TRES PALACIOS shall provide the original Releasing Customer with Internet e-mail notification reasonably proximate in time with any of the following formal notices given by TRES PALACIOS to the Releasing Customer's Replacement Customer(s), of the following:

(1) Notice to the Replacement Customer regarding the Replacement Customer's past due, deficiency, or default notice status pursuant to TRES PALACIOS' tariff;

(2) Notice to the Replacement Customer regarding the Replacement Customer's suspension of service notice;

(3) Notice to the Replacement Customer regarding the Replacement Customer's contract termination notice due to default or credit-related issues; and

(4) Notice to the Replacement Customer that the Replacement Customer(s) is no longer creditworthy and has not provided credit alternative(s) pursuant to TRES PALACIOS' tariff.

6.5 GENERAL TERMS AND CONDITIONS -  
PRIORITY, INTERRUPTION OF SERVICE AND OFOS

5. PRIORITY, INTERRUPTION OF SERVICE AND OFOS

5.1 Priority of Service. Any Customer executing a Service Agreement with TRES PALACIOS shall be entitled to the storage, parking, wheeling, or loaning of Gas in the following order of declining priority:

(a) Firm Services (as defined in Section 2.14 of these General Terms and Conditions) at primary Point(s) of Receipt, not in excess of MDRQ, and at primary Point(s) of Delivery, not in excess of MDDQ.

(b) Firm Services (as defined in Section 2.14 of these General Terms and Conditions) that include secondary point rights (i) at secondary Point(s) of Receipt, (ii) at secondary Point(s) of Delivery, (iii) at primary Point(s) of Receipt, in excess of MDRQ but less than or equal to MDIQ or MDFWQ, and (iv) at primary Point(s) of Delivery, in excess of MDDQ but less than or equal to MDWQ or MDFWQ.

(c) Enhanced Interruptible Wheeling Services under Rate Schedule EIWS.

(d) Interruptible service, including storage, parking, wheeling, loaning, and/or authorized overrun service pursuant to Section 5.2 below.

(e) Make-up volumes to correct prior variances between (i) Transporter and the counterparty to a balancing agreement (pursuant to such agreement), (ii) Customer and TRES PALACIOS, and (iii) Customer and Transporter if the variance was due to TRES PALACIOS' failure to receive or deliver Customer's scheduled volumes.

(f) Extended hourly flows:

(i) For Rate Schedules FSS, FP and FL, storage injections in excess of MDRQ/24 or MDIQ/24, or storage withdrawals in excess of MDDQ/24 or MDWQ/24.

(ii) For Rate Schedule FWS, hourly flows in excess of MDRQ/24, MDDQ/24 or MDFWQ/24, or in excess of such other hourly flow rates specified in Customer's Firm Wheeling Service Agreement.

If a capacity constraint is anticipated or planned (for example, due to system maintenance), TRES PALACIOS shall post a notice of the anticipated constraint on its Internet Web Site at least 48 hours in advance of the start of the constraint period.

5.2 The order of priority relating to service under Rate Schedules ISS, IHBS, IP, IW, and IL, and authorized overrun service, shall be allocated to each Customer in the same manner as specified in Section 5.3.

5.3 Interruption.

(a) If on any Day TRES PALACIOS' capability to receive or deliver quantities is impaired so that TRES PALACIOS is unable to receive or deliver all the quantities which are scheduled, then interruption of service shall be implemented in the reverse order of priority set forth in Section 5.1, provided that, once scheduled, secondary firm service has the same priority as primary firm service, as set forth in Section 5.1(a).

(i) If Firm Service must be interrupted, interruption of service to firm storage Customers shall be pro rata based on MDWQ, MDIQ, MSQ, MDFWQ, Maximum Park Quantity or Maximum Loan Quantity, as applicable.

(ii) If Enhanced Interruptible Wheeling Service under Rate Schedule EIWS must be interrupted, interruption of service shall be based on the economic value of each transaction to TRES PALACIOS; the transaction having the lowest economic value to TRES PALACIOS shall be interrupted first. Customer transactions with equal economic value to TRES PALACIOS shall be interrupted pro rata.

(iii) Interruption of service to Interruptible Customers under Rate Schedules ISS, IHBS, IP, IW, and IL, and authorized overrun service, shall be based on the charges applicable to each Customer for the portion(s) of service subject to interruption, with the transaction having the lowest economic value to TRES PALACIOS being interrupted first. Customer transactions with equal economic value to TRES PALACIOS shall be interrupted pro rata.

(b) TRES PALACIOS shall provide Customer as much advance notice of any interruption as is practicable under the circumstances. Such notice shall be made by telephone, e-mail or via the Internet Web Site, as appropriate, and shall state the reduced quantities of Gas that TRES PALACIOS estimates it will be able to park, wheel, loan, store, inject, withdraw, receive or deliver, as applicable, and the estimated duration of the interruption.

(c) If interruption is required, TRES PALACIOS and Customer shall cooperate to the extent possible in making adjustments to receipts, deliveries, injections or withdrawals to minimize injury to any property or facilities.

5.4 Interruption Liability. TRES PALACIOS shall not be liable for any loss or damage to any person or property caused, in whole or in part, by any interruption of service, except to the extent caused solely by TRES PALACIOS' negligence or willful misconduct.

5.5 Action Alerts and Operational Flow Orders.

(a) Circumstances Warranting Issuance: As specified in this Section 5.5, TRES PALACIOS shall have the right to issue Action Alerts or Operational Flow Orders ("OFOs") that require actions by Customers in order (1) to alleviate conditions that threaten to impair reliable service, (2) to maintain operations at the pressures required to

provide efficient and reliable services, (3) to have adequate Gas supplies in the system to deliver on demand, (4) to maintain service to all firm shippers and for all firm services, and (5) to maintain the system in balance for the foregoing purposes.

(b) Actions to be Taken to Avoid Issuance: TRES PALACIOS shall, to the extent practicable, take all reasonable actions necessary to avoid issuing an Action Alert or OFO. Such actions shall include, in order of priority (1) working with point operators to temporarily adjust receipts and/or deliveries at relevant Point(s) of Receipt or Point(s) of Delivery, (2) working with Customers and point operators to adjust scheduled flows on the system, or (3) taking any other reasonable action designed to mitigate the system problem. After taking all such reasonable actions to avoid issuing an Action Alert or OFO, TRES PALACIOS will have the right to issue Action Alerts or OFOs, if necessary, in the circumstances described in Section 5.5(a).

(c) Preliminary Notifications/Follow-up Reports: TRES PALACIOS shall provide, via posting on the Internet Web Site and to affected parties through the affected party's choice of electronic notice delivery mechanism(s), prior notice to all Customers and point operators of upcoming system events such as anticipated weather patterns and operational problems that may necessitate the issuance of an Action Alert or OFO.

(d) Applicability of Action Alert or OFO: TRES PALACIOS shall make an Action Alert or OFO as localized as is reasonably practicable based on TRES PALACIOS' good faith and reasonable judgment concerning the situations requiring remediation such that an Action Alert or OFO will be directed first to Customers and point operators causing the problem necessitating the Action Alert or OFO and second, if necessary, to all Customers and point operators. TRES PALACIOS will tailor the Action Alert or OFO to match the severity of the known or anticipated operational problem requiring remediation as more fully set forth in subsections 5.5(f) and 5.5(g). The declaration to the affected parties of OFOs, critical periods and/or Critical Notices shall describe the conditions and the specific responses required from the affected parties.

(e) Notice: All Action Alerts and OFOs will be issued via telephone to be followed by an e-mail to the affected Customer(s) or point operator(s), with subsequent posting on the Internet Web Site, and notification to the affected parties through the affected party's choice of electronic notice delivery mechanism(s). TRES PALACIOS shall also provide such notification via e-mail communication to those Customers and point operators that have provided e-mail address information for at least one contact person, and have requested via TRES PALACIOS' Internet Web Site, e-mail notification of Critical Notices issued by TRES PALACIOS. The Action Alert or OFO will set forth (1) the time and date of issuance, (2) the actions Customer or point operator is required to take, (3) the time by which Customer or point operator must be in compliance with the Action Alert or OFO, (4) the anticipated duration of the Action Alert or OFO, and (5) any other terms that TRES PALACIOS may reasonably require to ensure the effectiveness of the Action Alert or OFO. In addition to the other

information contemplated by this Section 5.5(e), such notice shall also include information about the status of operational variables that determine when an Action Alert or OFO will begin and end, and TRES PALACIOS shall post periodic updates of such information, promptly upon occurrence of any material change in the information. TRES PALACIOS will post a notice on the Internet Web Site informing the Customers and point operators when any Action Alert or OFO in effect will be lifted and specifying the factors that caused the Action Alert or OFO to be issued and then lifted, to the extent such factors are known. TRES PALACIOS shall post a notice on its Internet Web Site specifying the factors that caused the Action Alert or OFO to be issued, to the extent such factors are known. TRES PALACIOS shall also provide such notification via e-mail communication to those Customers who have submitted a request and provided e-mail address information for at least one contact person, via TRES PALACIOS' Internet Web Site to receive e-mail notification of Critical Notices issued by TRES PALACIOS.

(f) Action Alerts: In the event that TRES PALACIOS determines that due to (1) an ongoing or anticipated weather event, (2) a known equipment problem, or (3) the anticipated continuation of a current system operational problem, action is necessary to avoid a situation in which the system integrity is jeopardized or TRES PALACIOS' ability to render firm service is threatened, TRES PALACIOS may issue an Action Alert as set out herein to forestall the development of the situation.

(1) Issuance of Alerts: Action Alerts will be noticed in accord with the procedures set forth in Section 5.5(e) and TRES PALACIOS will endeavor to provide a minimum of four hours notice.

(2) Action Alerts can be issued to effect any of the following:

(A) restriction of Interruptible services;

(B) restrictions of deliveries or receipts at specific Point(s) of Receipt or Point(s) of Delivery covered by an operational balancing agreement to the aggregate MDRQ or MDDQ under the Service Agreements for Firm Services whose Primary Point(s) of Delivery/Receipt, which are specified in the Service Agreement, are at the affected locations; and/or

(C) forced balancing such that point operators will be required to assure that nominations equal flows or that receipts and deliveries fall within the tolerance level designated in the Action Alert.

(g) OFOs: In the event that, in TRES PALACIOS' judgment, immediate action is required to alleviate conditions which threaten to impair reliable firm service, to maintain operations at the pressures required to provide efficient and reliable service, to have adequate Gas supplies in the system to deliver on demand, to maintain services to all firm Customers and for all firm services, and/or to maintain the system in balance for the foregoing purposes, TRES PALACIOS may forgo

the action described in Section 5.5(f) and immediately issue an OFO. In the event that (1) Customer or point operator does not respond to an Action Alert, (2) the actions taken thereunder are insufficient to correct the system problem for which the Action Alert was issued, or (3) there is insufficient time to carry out the procedures with respect to Action Alerts, TRES PALACIOS may issue an OFO pursuant to this Section 5.5(g) or take unilateral action, including the curtailment of firm service, to maintain the operational integrity of TRES PALACIOS' system. For purposes of this Section, the operational integrity of TRES PALACIOS' system shall encompass the integrity of the physical system and the preservation of physical assets and their performance, the overall operating performance of the entire physical system as an entity, and the maintenance (on a reliable and operationally sound basis) of total system deliverability and the quality of Gas delivered.

(h) Termination of an Action Alert or OFO: TRES PALACIOS shall lift any effective Action Alert or OFO promptly upon the cessation of operating conditions that caused the relevant system problem. After TRES PALACIOS has lifted the Action Alert or the OFO, TRES PALACIOS shall post a notice on its Internet Web Site specifying the factors that caused the Action Alert or OFO to be issued and then lifted, to the extent such factors are known. TRES PALACIOS shall also provide such notification via e-mail communication to those Customers who have submitted a request, and provided e-mail address information for at least one contact person, via TRES PALACIOS' Internet Web Site to receive e-mail notification of Critical Notices issued by TRES PALACIOS.

(i) Penalties: All quantities tendered to TRES PALACIOS and/or taken by Customer on a daily basis in violation of an Action Alert or OFO shall constitute unauthorized receipts or deliveries for which the applicable Action Alert or OFO penalty charge stated below shall be assessed.

(1) Action Alert penalty charge for each Dekatherm of Gas by which Customer deviated from the requirements of the Action Alert shall be equal to an Action Alert Index Price, calculated as 110% of the applicable daily Gas Daily Mid Point price posting for Tennessee Zone Zero for the Day on which the deviation occurred, multiplied by the quantity by which the Customer deviated from the requirements of the Action Alert.

(2) OFO penalty charge for each Dekatherm of Gas by which Customer deviated from the requirements of the OFO shall be equal to an OFO Index Price, calculated as three (3) times the applicable daily Gas Daily Mid Point price posting for Tennessee Zone Zero for the Day on which the deviation occurred, multiplied by the quantity by which the Customer deviated from the requirements of the OFO.

Any penalty revenue collected by TRES PALACIOS pursuant to this Section 5.5(i) shall be credited to those firm and Interruptible Customers that did not incur Action Alert or OFO penalties pursuant to this Section 5.5(i) in the Month for which Action Alert or OFO penalty revenues were received ("Non-Offending Customers"), based on the ratio of the total

charges paid during that Month by the Non-Offending Customer to the sum of the total charges paid during that Month by all Non-Offending Customers. Such credits shall be calculated for each Month of the twelve (12) Month period ending July 31 of each year, and will be included on the Non-Offending Customer's invoice for the Month following the date of the final Commission order approving TRES PALACIOS' penalty disbursement report; provided, however, that TRES PALACIOS will calculate and include such credits on Non-Offending Customer's invoices for a period shorter than twelve Months in the event and to the extent that the total accumulated amount of Action Alert or OFO penalty revenue collected pursuant to this Section 5.5(i) by TRES PALACIOS as of the end of any Month exceeds \$1,000,000. TRES PALACIOS will file with the Commission a penalty disbursement report within sixty days of July 31 or sixty days after the end of the Month for which revenue collected exceeds \$1,000,000. Any penalty revenue credited to Non-Offending Customers pursuant to this Section shall include interest calculated in accordance with Section 154.501(d) of the Commission's regulations.

(j) Liability of TRES PALACIOS: TRES PALACIOS shall not be liable for any costs incurred by any Customer or point operator in complying with an Action Alert or OFO. TRES PALACIOS shall not be responsible for any damages that result from any interruption in service that is a result of a Customer's or point operator's failure to comply promptly and fully with an Action Alert or OFO, and the non-complying Customer or point operator shall indemnify TRES PALACIOS against any claims of responsibility. However, TRES PALACIOS shall use reasonable efforts to minimize any such costs or damages.

(k) Unilateral Action: In the event that (1) Customer(s) or point operator(s) does (do) not respond to an OFO, or (2) the actions taken thereunder are insufficient to correct the system problem for which the OFO was issued, or (3) there is insufficient time to carry out the procedures with respect to OFOs, TRES PALACIOS may take unilateral action, including the curtailment of firm service, to maintain the operational integrity of TRES PALACIOS' system. For purposes of this Section, the operational integrity of TRES PALACIOS' system shall encompass the integrity of the physical system and the preservation of physical assets and their performance, the overall operating performance, the overall operating performance of the entire physical system, as an entity, and the maintenance (on a reliable and operationally sound basis) of total system deliverability and the quality of Gas delivered.

6.6 GENERAL TERMS AND CONDITIONS - STORAGE OPERATIONS

6. STORAGE OPERATIONS

6.1 Customer shall tender or cause to be tendered to TRES PALACIOS at the Point(s) of Receipt any Gas which Customer desires to have injected into storage plus applicable Fuel Reimbursement volumes. Customer shall also receive or cause to be received Gas requested to be withdrawn from storage at the Point(s) of Delivery.

6.2 Subject to the operating conditions then existing on the delivering or receiving pipelines, TRES PALACIOS shall receive Gas for injection from Customer at the Point(s) of Receipt and deliver Gas to Customer at the Point(s) of Delivery as scheduled by Customer from time to time; provided that TRES PALACIOS shall not be obligated to receive for injection any quantity of Gas if the injection of the same would cause the quantity of Gas stored for Customer's account to exceed Customer's Maximum Storage Quantity; nor shall TRES PALACIOS be obligated at any time to deliver more Gas to Customer than Customer has stored in its Storage Inventory or Park Balance, as applicable, or to receive from Customer more Gas than Customer has outstanding in its Loan Balance.

6.7 GENERAL TERMS AND CONDITIONS - WHEELING OPERATIONS

7. WHEELING OPERATIONS

7.1 Customer shall tender or cause to be tendered to TRES PALACIOS at the Point(s) of Receipt any Gas which Customer desires to have wheeled plus applicable Fuel Reimbursement volumes. Customer shall also receive or cause to be received Gas requested to be wheeled at the Point(s) of Delivery.

6.8 GENERAL TERMS AND CONDITIONS - NOMINATIONS AND SCHEDULING

8. NOMINATIONS AND SCHEDULING

8.1 During any Day when Customer desires TRES PALACIOS to inject, withdraw or wheel Gas, Customer shall submit a nomination to TRES PALACIOS via e-mail or via the Internet Web Site that includes, but is not limited to, the following information: quantity, flow period, upstream transportation contract number(s) and/or downstream transportation contract number(s), Point(s) of Receipt and/or Point(s) of Delivery, Customer name and Service Agreement number, and the Customer's authorized employee name and telephone number. All nominations shall be based on a daily quantity.

All nominations shall include Customer defined begin dates and end dates. All nominations, excluding intraday nominations, have rollover options. Specifically, Customers have the ability to nominate for several Days, Months, or years, provided the nomination begin and end dates are within the term of Customer's Service Agreement.

Overrun quantities shall be requested on a separate transaction.

8.2 TRES PALACIOS will accept nominations for service as follows:

(a) Next Day Service. The nomination timeline on the Day prior to the Day of Gas flow shall be the following:

- 1:00 p.m. Nominations leave control of the Customer
- 1:15 p.m. Nominations are received by TRES PALACIOS (including from Title Transfer Tracking Service Providers ("TTTSPs"))
- 1:30 p.m. TRES PALACIOS sends the Quick Response to the Customer
- 4:30 p.m. TRES PALACIOS receives completed confirmations from Confirming Parties
- 5:00 p.m. Customer and Point Operator receive scheduled quantities from TRES PALACIOS.

The sending party shall adhere to nomination, confirmation, and scheduling deadlines. It is the party receiving the request that has the right to waive the deadline.

(b) Intraday Nominations. Any nomination received during a Day for the same Day of Gas flow, or any nomination received after the nominations deadline set forth in Section 8.2(a) above for the following Day flow shall be an intraday nomination. Intraday nominations can be used to request increases or decreases in total flow, changes to Point(s) of Receipt, or changes to Point(s) of Delivery of scheduled Gas. Intraday nominations do not roll over (i.e. intraday nominations span one Day only). Intraday nominations do not replace the remainder of a standing nomination. There is no need to re-nominate if an intraday nomination modifies an existing nomination.

Intraday nominations may be used to nominate new injections or withdrawals. All nominations, including intraday nominations, shall be based on a daily quantity; thus, an intraday nominator need not submit an hourly nomination. Intraday nominations shall include an effective date and time. The interconnected parties shall agree on the hourly flows of the intraday nomination, if not otherwise addressed in Transporter's contract or tariff.

In the event Customer does not submit a timely nomination or desires to alter an existing nomination, Customer shall have the right to submit an intraday nomination to revise Customer's scheduled quantities, Point(s) of Receipt and/or Point(s) of Delivery on a prospective basis prior to the end of the Day; provided, however, that such intraday nomination will be processed after all timely nominations have been scheduled. Such intraday nomination shall be implemented by TRES PALACIOS to the extent and only to the extent that TRES PALACIOS is able to confirm the receipt and delivery of such Gas at the Point(s) of Receipt and Point(s) of Delivery.

(c) Elapsed-Prorated-Scheduled Quantity. With respect to intraday nominations for reductions in previously scheduled quantities, TRES PALACIOS may accept any explicitly confirmed quantity, down to and including zero, for such intraday nomination; provided, however, if such intraday nomination requires confirmation from an upstream and/or downstream interconnected pipeline, then any intraday nomination to reduce previously scheduled quantities will be subject to, and limited to, the reduced quantity confirmed by such upstream and/or downstream interconnected pipeline.

(d) Nominations will be processed for scheduling in the order in which they were received, by priority level as described in Section 5 of the General Terms and Conditions of this FERC Gas Tariff. Nominations received after nomination deadline shall be scheduled after the nominations received before the nomination deadline.

(e) Notices provided under this Section 8.2 must be submitted in writing via e-mail or the Internet Web Site. Customer shall provide notice of any changes in deliveries to or receipt from TRES PALACIOS to all transporters and shall be responsible for, and shall hold TRES PALACIOS harmless from, any and all liabilities and expense resulting from any such changes, unless the added expense is due to the negligence of TRES PALACIOS.

(f) Minimum NAESB Nomination Standards. In the event the more flexible nomination procedures set forth in Section 8.2(b) above are inapplicable for any reason, nominations shall be submitted and processed in accordance with the minimum standards set forth in this Section 8.2(f). TRES PALACIOS shall support the following standard nomination cycles(all times are CCT pursuant to NAESB WGQ Standard No. 0.3.17):

For purposes of (2), (3), (4), and (5) above, the word "provides" shall mean, for transmittals pursuant to NAESB WGQ Standards 1.4.x, receipt at the designated site, and for purposes of other forms of transmittal, it shall mean send or post.

8.3 Customer shall make available and tender any Gas to be injected or wheeled hereunder and receive and accept delivery, upon tender by TRES PALACIOS, any Gas requested to be withdrawn from storage or wheeled. The

quantity of Gas stored for the account of Customer shall be increased or decreased upon injection or withdrawal of Gas from storage, as applicable. Customer shall not (unless otherwise agreed by TRES PALACIOS) receive or deliver Gas, nor shall TRES PALACIOS be obligated to receive Gas or deliver Gas on an hourly basis at rates of flow in excess of 1/24 of Customer's MDRQ or MDDQ, respectively. As determined by TRES PALACIOS in its sole and reasonable judgment, flow rates above 1/24 of Customer's MDRQ or MDDQ (or above the hourly flow rates specified in a Customer's Firm Wheeling Service Agreement) may be permitted. Unless otherwise agreed to between TRES PALACIOS and a Firm Storage Service Customer, and documented in Customer's Firm Storage Service Agreement, a Customer shall not be permitted to nominate simultaneous injections into and withdrawals from storage under the same Service Agreement or otherwise to engage in any nomination pattern that would result in Customer receiving the equivalent of unbundled transportation service, other than firm or interruptible wheeling service provided by TRES PALACIOS in accordance with an executed Service Agreement. The prohibition against simultaneous injection and withdrawal nominations shall not be deemed to limit a Customer's right during a Day, subject to the priorities of service provisions of Section 6.5 of these General Terms and Conditions, to submit nominations in the Evening, Intraday 1, Intraday 2 and/or Intraday 3 Nomination Cycles, or at other times as may be permitted under this FERC Gas Tariff, that would result in a switch from previously nominated injections to withdrawals or from withdrawals to injections; provided that the Customer shall not nominate both injections and withdrawals under a single Service Agreement during any time period within a Day. The foregoing prohibition against simultaneous injection and withdrawal nominations shall not apply to Service Agreement transactions in effect on or before January 20, 2019.

6.9 GENERAL TERMS AND CONDITIONS -  
POINT(S) OF RECEIPT AND POINT(S) OF DELIVERY

9. POINT(S) OF RECEIPT AND POINT(S) OF DELIVERY

9.1 Point(s) of Receipt. Customer shall tender all Gas for wheeling or injection into storage to TRES PALACIOS at the Point(s) of Receipt as specified in Customer's Service Agreement. The quantity of Gas tendered by Customer to TRES PALACIOS for wheeling or injection into storage shall (i) not exceed at each Point of Receipt the MDFWQ, MDTQ or MDRQ, as applicable, for such Point of Receipt in effect from time to time, or (ii) not exceed the MDIQ plus the applicable Fuel Reimbursement at all Point(s) of Receipt in effect from time to time, without the consent of TRES PALACIOS.

9.2 Point(s) of Delivery. TRES PALACIOS shall tender all Gas to be wheeled or withdrawn from storage to Customer at the Point(s) of Delivery as specified in Customer's Service Agreement. The quantity of Gas delivered to Customer shall (i) not exceed at each Point of Delivery the MDFWQ, MDTQ or MDDQ, as applicable, for such Point of Delivery in effect from time to time, or (ii) not exceed the MDWQ at all Point(s) of Delivery in effect from time to time, without the consent of TRES PALACIOS.

9.3 Transportation Guidelines. For each Point of Receipt and Point of Delivery, the interconnected Transporter's rules, guidelines, operational procedures and policies, as they may be changed from time to time, shall define and control the manner in which Gas is delivered or received. TRES PALACIOS and Customer each agree to provide to the other, in as prompt a manner as reasonable, all information necessary to permit scheduling pursuant to such requirements. In addition, TRES PALACIOS will not be required to begin wheeling, injections or withdrawals for a Customer's account unless and until the data required for nominations, provided for in Section 8, have been confirmed by the applicable Transporter to TRES PALACIOS' Gas dispatcher.

9.4 Transportation Imbalances. In the event that TRES PALACIOS or Customer delivers or causes to be delivered to Transporter at the Point(s) of Receipt or Delivery a quantity of Gas not equal to the quantity of Gas received or taken by Customer or TRES PALACIOS, a "Transportation Imbalance" may occur. Provided that TRES PALACIOS has taken or delivered the quantity of Gas nominated by Customer and scheduled by Transporter, Customer shall be liable for all imbalances under its transportation agreement with Transporter. Upon notification by Customer or Transporter that a Transportation Imbalance exists because TRES PALACIOS failed to deliver or receive the quantity of Gas nominated by Customer and scheduled by Transporter, TRES PALACIOS will endeavor to correct the Transportation Imbalance subject to any restrictions imposed by Transporter but TRES PALACIOS shall be solely responsible and liable for any charges, penalties, costs and expenses incurred or payable by either party as a result of the Transportation Imbalance. Customer agrees to use its best efforts to prevent or diminish any occurrences of imbalances.

9.5 Measurement. Customer and TRES PALACIOS agree that the quantity of Gas delivered hereunder shall be measured by TRES PALACIOS in accordance with the Transporter's pipeline tariff applicable to each Point of Delivery/Receipt, and, as such, may be allowed to fluctuate within the applicable measurement or flow tolerances on a daily and Monthly basis.

9.6 Costs and Penalties. Customer shall hold TRES PALACIOS harmless for all costs and penalties which may be assessed by Transporter(s) under Customer's transportation agreement(s) with Transporter(s), unless the costs and penalties are due to the negligence of TRES PALACIOS. Customer and TRES PALACIOS shall cooperate with each other and with the Transporter(s) to verify delivery and receipt of the volumes of Gas delivered hereunder on a timely basis.

9.7 Downstream and Upstream Transportation. Customer shall be responsible for transportation from the Point(s) of Delivery and payment of all transportation charges relating thereto. Customer shall be responsible for transportation to the Point(s) of Receipt and payment of all transportation charges relating thereto.

6.10 GENERAL TERMS AND CONDITIONS - QUALITY

10. QUALITY

10.1 Specifications. The Gas delivered by either party to the other hereunder shall meet the quality specifications of the Transporter which receives or delivers such Gas at the Point of Receipt or Delivery, as applicable, and, unless such Transporter's quality specifications are more stringent, shall be of such quality that it shall meet at least the following specifications:

(a) Be commercially free from objectionable odors, dirt, dust, iron particles, gums, gum-forming constituents, gasoline, PCBs, and other solid and/or liquid matter, including but not limited to water, Gas treating chemicals and well completion fluids and debris, which may become separated from the Gas during the transportation thereof.

(b) Contain not more than one fourth (1/4) of one grain of hydrogen sulfide per one hundred (100) cubic feet, as determined by the cadmium sulfate quantitative test, nor more than twenty (20) grains of total sulfur per one hundred (100) cubic feet.

(c) The Gas delivered hereunder shall not contain more than two-tenths of one percent (0.2%) by volume of oxygen, shall not contain more than three percent (3%) by volume of carbon dioxide, shall not contain more than three (3%) by volume of nitrogen, and shall not contain a combined total of carbon dioxide and nitrogen components of more than four (4%) by volume.

(d) Have a heating value of not less than nine hundred and sixty-seven (967) Btus per cubic feet and not more than eleven hundred (1100) Btus per cubic feet.

(e) Have a temperature of not more than 120 degrees Fahrenheit (120 degrees F), nor less than forty degrees Fahrenheit (40 degrees F).

(f) Have been dehydrated by the tendering party, by any method other than the use of a calcium chloride as desiccant, for removal of entrained water in excess of seven (7) pounds of water per million (1,000,000) cubic feet of Gas as determined by dew-point apparatus approved by the Bureau of Mines or such other apparatus as may be mutually agreed upon.

10.2 Rejection of Gas. Either party shall be entitled to reject any Gas tendered to it by the other party which does not meet the minimum specifications of Section 10.1 hereunder. Acceptance of such Gas does not constitute any waiver of TRES PALACIOS' right to refuse to accept similarly nonconforming Gas.

6.11 GENERAL TERMS AND CONDITIONS - PRESSURE AND INJECTION/WITHDRAWAL RATES

11. PRESSURE AND INJECTION/WITHDRAWAL RATES

11.1 Delivery Pressures. TRES PALACIOS shall deliver Gas to Customer at pressures sufficient to enter the pipeline facilities at the Point(s) of Delivery against the operating pressures maintained by Transporter(s) from time to time. TRES PALACIOS shall not be required to deliver Gas at pressures in excess of those required by Transporter(s) or in excess of Transporter(s) maximum allowable operating pressure (MAOP). Customer shall deliver or cause to be delivered to TRES PALACIOS all Gas for wheeling, parking or injection at the Point(s) of Receipt at pressures not less than 700 psig and not in excess of the MAOP of TRES PALACIOS' facilities at the Point(s) of Receipt. TRES PALACIOS shall be responsible for maintaining facilities at such Point(s) of Receipt to permit Customer to deliver Gas to TRES PALACIOS at such allowed pressures.

11.2 Receipt and Delivery Rates. TRES PALACIOS has designed the facilities required to wheel, store, inject and withdraw Gas based on "normal" operating pressures maintained by the Transporter(s) at the Point(s) of Receipt/Delivery with allowances for reasonable fluctuations. In the event that conditions on the Transporter's system vary substantially from this "normal" design condition coincident with high levels of Customer receipt or delivery activity, TRES PALACIOS' capability to receive or deliver the quantities set forth in its Service Agreements may be impaired, resulting in an interruption in service. If this happens, capacity will be allocated pursuant to Section 5 of the General Terms and Conditions of this FERC Gas Tariff. Customer agrees to indemnify and hold TRES PALACIOS harmless for any loss caused by any such interruption in service.

11.3 TRES PALACIOS may agree on a nondiscriminatory basis to minimum and maximum pressure provisions. Any such requirement shall be set forth in the Customer's service agreement and shall not constitute a non-conforming term in the service agreement.

6.12 GENERAL TERMS AND CONDITIONS - TITLE AND RISK OF LOSS

12. TITLE AND RISK OF LOSS

12.1 Customer warrants for itself, its successors and assigns, that it will have at the time of delivery of Gas for injection, storage, parking or wheeling hereunder either good title to or the right to have the Gas transported or stored. Customer warrants for itself, its successors and assigns, that the Gas it delivers hereunder shall be free and clear of all liens, encumbrances, or claims whatsoever; and that it will indemnify TRES PALACIOS and save it harmless from all claims, suits, actions, damages, costs and expenses arising directly or indirectly from or with respect to the title and/or right to Gas tendered to TRES PALACIOS hereunder.

12.2 As between Customer and TRES PALACIOS, (x) Customer shall be deemed to be in control and possession of the Gas prior to delivery to TRES PALACIOS for wheeling, parking, storage or injection at the Point(s) of Receipt and after redelivery by TRES PALACIOS to Customer at the Point(s) of Delivery, and shall indemnify and hold TRES PALACIOS harmless from any damage or injury caused thereby, and (y) TRES PALACIOS shall be deemed to be in control and possession of the Gas after the receipt of Gas at the Point(s) of Receipt and until TRES PALACIOS' redelivery of an equivalent quantity of Gas to Customer at the Point(s) of Delivery, and shall indemnify and hold Customer harmless from any damage or injury caused thereby, except for damages and injuries caused by the sole negligence of Customer. Notwithstanding anything to the contrary set forth in this Section 12.2, the risk of loss of any quantity of Gas wheeled through, injected into, parked or stored in and withdrawn from the TRES PALACIOS storage facilities shall remain with Customer, and TRES PALACIOS shall not be liable to Customer for any loss of Gas, except as may be the consequence of the intentional or negligent acts or omissions of TRES PALACIOS. Any losses of Gas, unless resulting from the intentional or negligent act or omissions of TRES PALACIOS, shall be apportioned among and shared proportionally by all Customers under Rate Schedules FSS, ISS, FP, IP and IHBS on the basis of the percentage which each Customer's Storage Inventory as of the Day immediately preceding the Day on which a loss occurs bore to the total amount of Gas in all Customers' Storage Inventories on such Day.

6.13 GENERAL TERMS AND CONDITIONS - MEASUREMENT

13. MEASUREMENT

13.1 The unit of volume for measurement of all quantities of Gas wheeled, parked, loaned or stored by TRES PALACIOS or delivered to and received from storage hereunder shall be one (1) cubic foot of Gas at the base temperature of sixty degrees Fahrenheit (60 degrees F) and at an absolute pressure of fourteen and seventy-three hundredths (14.73) pounds per square inch and dry. All fundamental constants, observations, records, and procedures involved in determining and/or verifying the quantity and other characteristics of Gas delivered hereunder shall, unless otherwise specified herein, be in accordance with the standards prescribed in Report No. 3 of the American Gas Association, as now in effect and from time to time amended or supplemented. All measurements of Gas shall be determined by calculation into terms of such unit. All quantities given herein, unless expressly stated otherwise, are in terms of such unit. Notwithstanding the foregoing, it is agreed that, for all purposes, the Btu content of the Gas received and delivered by TRES PALACIOS hereunder shall be measured on a "dry" basis rather than a fully saturated or "wet" basis. For Gas volumes reported in cubic meters, the standard conditions are 101.325 kPa, 15 degrees C, and dry.

13.2 TRES PALACIOS shall install, maintain and operate, or cause to be installed, maintained and operated, the measurement facilities required hereunder. Said measurement facilities shall be so equipped with meters, recording gauges, chromatographs or other types of related and/or similar equipment of standard make and design commonly acceptable in the industry, as to accomplish the accurate measurement of Gas delivered hereunder. The retrieval of data and calibrating and adjustment of meters shall be done by TRES PALACIOS or its agent.

6.14 GENERAL TERMS AND CONDITIONS - BILLINGS AND PAYMENTS

14. BILLINGS AND PAYMENTS

14.1 Invoice. Not later than the ninth (9<sup>th</sup>) Business Day of each month, TRES PALACIOS shall provide Customer (including a Replacement Customer) an invoice and any required backup data (which may be transmitted by e-mail) setting forth (i) the charges due for the current Month; (ii) the total quantity of Gas, stated in Dekatherms, received from and delivered to Customer hereunder during the preceding Month(s), with applicable Point(s) of Receipt and Point(s) of Delivery properly identified, and the amount due therefor; and if applicable, (iii) the amount of Customer's Gas in storage as of the close of the preceding Month and information sufficient to explain and support any adjustments made by TRES PALACIOS in determining the amount billed. If actual quantities are not available by the ninth (9<sup>th</sup>) Business Day of the month, TRES PALACIOS may invoice based on best available data subject to adjustment to actual at a later date. Quantities at points where Operational Balancing Agreements exist shall be invoiced based on scheduled quantities.

14.2 Application of Payments for Released Capacity. Payments to TRES PALACIOS by a Replacement Customer for released capacity shall be applied as follows: (i) TRES PALACIOS shall retain amounts equal to the Replacement Customer's usage charges; (ii) TRES PALACIOS will credit the balance to reservation charges due from the Replacement Customer; and (iii) TRES PALACIOS shall remit the remaining balance, if any, or shall charge any balance due, to the Replacement Customer, in accordance with Section 4.10 of the General Terms and Conditions of this FERC Gas Tariff. If any balance due from the Replacement Customer remains unpaid, the outstanding balance will then be billed to the Releasing Customer, provided that the Releasing Customer is only liable to the extent of the reservation charges specified in the applicable Service Agreement and corresponding Rate Schedule.

14.3 Payment. Customer shall pay TRES PALACIOS by wire transfer the full amount reflected on the invoice within fifteen (15) days of the date of the invoice. If the fifteenth (15<sup>th</sup>) day shall fall upon a weekend or legal holiday, then such payment shall be made on the last regular Business Day prior to such fifteenth (15<sup>th</sup>) day. Party making payment should submit supporting documentation; party receiving payment should apply payment per supporting documentation provided by the paying party; and if payment differs from invoiced amount, remittance detail should be provided with the payment except when payment is made by electronic funds transfer (EFT), in which case, the remittance detail is due within two Business Days of the payment due date.

14.4 Billing Error. If an error is discovered in any billing, such error shall be adjusted within thirty (30) days of the determination thereof. If a dispute arises as to the amount payable in any invoice rendered hereunder, Customer shall nevertheless pay when due the amount not in dispute under such invoice and provide documentation identifying the basis of the dispute. Such payment shall not be deemed to be a waiver of the right by Customer to recoup any overpayment, nor shall acceptance of any payment be deemed to be a waiver of the right by Customer to recoup any overpayment, nor shall acceptance of any payment be deemed to be a waiver by TRES PALACIOS of any underpayment. In the event Customer fails to forward the entire

undisputed amount due to TRES PALACIOS when same is due, interest on the unpaid portion shall accrue at the same rate of interest and in the same manner as prescribed for pipeline refunds as set forth in Section 154.501(d) of the Commission's regulations under the Natural Gas Act from the date such payment is due until the same is paid. If Customer's failure to pay the undisputed portion of any invoice rendered hereunder continues beyond thirty (30) days after the due date of such invoice, then TRES PALACIOS, in addition to all other legal remedies available to it, shall have the right and option to suspend further deliveries of Gas until such default shall have been cured. If Customer's failure to pay the undisputed portion of any invoice rendered hereunder continues beyond sixty (60) days after the due date of such invoice, then TRES PALACIOS, in addition to all other legal remedies available to it, shall have the right and option to terminate service hereunder.

14.5 Billing Disputes. If Customer withholds payment of any disputed amount as authorized herein, Customer shall within ten (10) days after the due date of the disputed invoice submit to TRES PALACIOS a written explanation of the dispute and any available supporting documentation. The parties shall then cooperate in good faith to resolve such dispute as expeditiously as possible, and the portion, if any, of such disputed amount eventually determined to be due shall bear interest at the rate stated in Section 14.4 above from the original due date until the date actually paid.

14.6 Right to Audit. Both TRES PALACIOS and Customer shall have the right at their own expense to examine and audit at any reasonable time the books, records (including measurement, billing and payment) and charts of the other to the extent necessary to verify the accuracy of any statements or charges made under or pursuant to any of the provisions of Customer's Service Agreement. Upon request, Customer shall also make available to TRES PALACIOS for audit purposes any relevant records of the Transporters to which Customer has access. A formal audit of accounts shall not be made more often than once each Contract Year. Any inaccuracy will be promptly corrected when discovered; provided, however, that neither TRES PALACIOS nor Customer shall be required to maintain books, records or charts for a period of more than two (2) Contract Years following the end of the Contract Year to which they are applicable. Neither TRES PALACIOS nor Customer shall have any right to question or contest any charge or credit if the matter is not called to the attention of the other in writing within two (2) years after the end of the Contract Year in question.

6.15 GENERAL TERMS AND CONDITIONS - TAXES

15. TAXES

If at any time TRES PALACIOS is required to remit any taxes assessed on the Gas pursuant to Customer's Service Agreement, then TRES PALACIOS shall have the right to collect from Customer such taxes, including any penalties and interest. Customer agrees to reimburse TRES PALACIOS for the taxes assessed on the Gas, including any penalties and interest, within fifteen (15) days of the date of invoice from TRES PALACIOS. Customer shall furnish TRES PALACIOS information, satisfactory to TRES PALACIOS, to enable TRES PALACIOS to comply with any reports required by state or federal government and agencies. Customer recognizes that TRES PALACIOS may be required to file federal and state tax returns, and Customer agrees to furnish TRES PALACIOS with adequate information pertaining to the taxation on the Gas. Customer shall coordinate such filings with TRES PALACIOS.

6.16 GENERAL TERMS AND CONDITIONS - INSURANCE

16. INSURANCE

Customer shall be responsible for providing its own insurance coverage with respect to Gas it tenders to TRES PALACIOS under any Service Agreement, including but not limited to service under the Rate Schedules set forth in TRES PALACIOS' Tariff.

Any Customer service agreement under Rate Schedules FSS, ISS, FP, IP and IHBS executed prior to May 5, 2019 shall be deemed to include insurance coverage as described in this Section 6.16 as it was effective prior to May 5, 2019. Prior to May 5, 2019, the effective version of Section 6.16 provided as follows:

As an accommodation to Customers under Rate Schedules FSS, ISS, FP, IP and IHBS, TRES PALACIOS shall be responsible for obtaining for the benefit of such customers insurance coverage against casualty events that result in the loss of Gas held in storage in the TRES PALACIOS storage facility, provided that such insurance coverage is available to TRES PALACIOS on commercially reasonable terms. TRES PALACIOS' undertaking to obtain such insurance coverage shall not be deemed to shift the risk of loss of Customers' Gas in storage to TRES PALACIOS. TRES PALACIOS shall use commercially reasonable efforts from time to time to identify each Customer under Rate Schedules FSS, ISS, FP, IP and IHBS as a named insured under any insurance policy or policies obtained pursuant to this Section 16. A Customer's recovery of the proceeds of any insurance payment made in respect of a casualty event involving the loss of Gas held in storage shall be limited to the Customer's allocable share of the proceeds of insurance paid over to TRES PALACIOS, such share to be determined in accordance with the provisions of Section 12.2 of these General Terms and Conditions. TRES PALACIOS shall make insurance policy(ies) obtained from time to time pursuant to this Section 16 available to Customer for review upon Customer's reasonable request.

6.17 GENERAL TERMS AND CONDITIONS -  
FORCE MAJEURE, RESERVATION CHARGE CREDITS

17. FORCE MAJEURE, RESERVATION CHARGE CREDITS

17.1. (a) Effect of Force Majeure. In the event TRES PALACIOS is rendered unable, wholly or in part, by reason of an event of Force Majeure, as defined herein, to perform, wholly or in part, any obligation or commitment under Customer's Service Agreement, it is agreed that upon TRES PALACIOS' giving notice and full particulars of such Force Majeure event on its Internet Web Site and/or in writing to Customer within seventy-two (72) hours after the occurrence of the cause relied on, then the obligations of TRES PALACIOS shall be suspended to the extent that TRES PALACIOS' ability to perform such obligations is affected by such Force Majeure event and for the period of such Force Majeure condition, but for no longer period, and such cause shall as far as possible be remedied with all reasonable dispatch.

(b) Force Majeure and Obligation to Pay/Credit Reservation Charges. A Customer taking firm service under Rate Schedules FSS, FWS, NNSS, FP or FL shall not be relieved of its obligation to pay Reservation Charges specified in such firm Rate Schedules due to an event of Force Majeure and TRES PALACIOS shall include the full amount of such Reservation Charges on the Customer's invoice for any Month in which an event of Force Majeure shall have occurred, provided, however, that TRES PALACIOS shall calculate credits against the Customer's Reservation Charges payable under Rate Schedules FSS, NNSS, FP or FL and its Service Agreement to reflect any reduction in TRES PALACIOS' ability to render firm services resulting from an event of Force Majeure declared by TRES PALACIOS and shall include such credits on the firm Customer's invoice for the next succeeding Month, in accordance with Section 17.1(c) below.

(c) Calculation of Credits Against Reservation Charges.

Calculation of Credits Against Reservation Charges. For each Day on which a Customer's firm service under Rate Schedules FSS, FWS, NNSS, FP or FL is curtailed such that (i) for curtailments due to Force Majeure events, Customer does not receive at least 98% of its scheduled service, or (ii) for non-Force Majeure curtailments, Customer does not receive 100% of its scheduled service, TRES PALACIOS shall calculate credits against the Customer's Reservation Charges payable under Rate Schedules FSS, FWS, NNSS, FP or FL and its Service Agreement; provided, that TRES PALACIOS shall not be required to provide Reservation Charge credits during the first ten (10) Days of curtailment due to an event of Force Majeure declared by TRES PALACIOS and; provided further, TRES PALACIOS shall not be required to provide Reservation Charge credits for curtailments or other service interruptions that are the result of Customer's conduct or the result of actions or inactions by pipeline Transporters. TRES PALACIOS shall calculate Reservation Charge Credits for each applicable Day of curtailment using the following formulae:

Curtailment of a firm Customer's injections:  
$$\text{Reservation Charge Credit} = \text{RC} / \# \text{Days} \times \text{CNIQ} / \text{MDIQ}$$

Curtailment of a firm Customer's withdrawals:

19.1 Categories of Fuel Usage. The two general categories of fuel usage are: (1) Direct Fuel Usage, consisting of (a) compression fuel (including electricity), (b) dehydration fuel, and (c) line heating fuel; and (2) Indirect Fuel Usage, consisting of fuel that is consumed on site to (a) generate electricity, (b) heat the facility (if any), and (c) fuel TRES PALACIOS vehicles.

Fuel Reimbursement charges are intended to compensate TRES PALACIOS for these categories of fuel usage and for lost and unaccounted for Gas volumes to the extent required for the operation and maintenance of TRES PALACIOS' Gas storage facilities.

19.2 Fuel Reimbursement. Fuel Reimbursement shall be calculated separately for storage services, wheeling, loaning and parking under Rate Schedules FSS, FWS, FP, FL, ISS, IHBS, IP, IW, IL, and EIWS. Each Fuel Reimbursement charge shall be negotiated by TRES PALACIOS and Customer such that reimbursement of fuel shall be paid in kind, as set forth in Customer's Service Agreement(s).

20. GAS TITLE TRANSFERS

20.1 Title Transfers of Gas in Storage:

(a) A Customer that has executed a Service Agreement under Rate Schedules FSS, FP, FL, ISS, IHBS, IL or IP may sell some or all of its Storage Inventory or Loan Balance to any other Customer that has executed a Service Agreement under the same Rate Schedule to become part of such other Customer's Storage Inventory or Loan Balance under the same Rate Schedule if:

(1) Customer selling Storage Inventory or Loan Balance and Customer purchasing Storage Inventory or Loan Balance execute a Title Transfer Form identifying the details of the title transfer transaction, as such form is posted on TRES PALACIOS' Internet Web Site and amended from time to time, and submit such executed form to TRES PALACIOS; and

(2) The purchase does not cause either Customer to exceed its Maximum Storage Quantity, Maximum Loan Quantity, or Maximum Park Quantity, as applicable and as specified in the Customer's Service Agreement, or cause either Customer's balance to go below zero.

TRES PALACIOS may restrict transfers when such transfers would result in an increase in the service obligations of TRES PALACIOS or cause operational difficulties and such increase or operational difficulties would, in the reasonable judgment of TRES PALACIOS, impair the ability of TRES PALACIOS to meet all of its other service obligations of equal or higher priority.

(b) TRES PALACIOS will recognize the transfer for purposes of computing each Customer's available Storage Inventory or Loan Balance on a prospective basis within one (1) Business Day after receipt of the executed Title Transfer Form.

29. FEES AND CONSTRUCTION OF NEW FACILITIES

29.1 Except as provided in Section 29.2 herein, Customer shall reimburse TRES PALACIOS (a) for the costs of any facilities installed by TRES PALACIOS with Customer's consent to receive, measure, store or deliver Gas for Customer's account and (b) for any and all filings and approval fees required in connection with Customer's Service Agreement that TRES PALACIOS is obligated to pay to the Commission or any other governmental authority having jurisdiction. Any reimbursement due TRES PALACIOS by Customer pursuant to this Section 29.1 shall be due and payable to TRES PALACIOS within ten (10) days of receipt by Customer of TRES PALACIOS' invoice(s) for same; provided, however, that subject to TRES PALACIOS' consent, such reimbursement, plus carrying charges thereon, may be amortized over a mutually agreeable period not to extend beyond the primary contract term of the Service Agreement between TRES PALACIOS and Customer. Carrying charges shall be computed utilizing interest factors acceptable to both TRES PALACIOS and Customer.

29.2 TRES PALACIOS may waive from time to time, at its discretion, all or a portion of the facility cost reimbursement requirement set forth in Section 29.1 for Rate Schedules FSS, FWS, NNSS, FP and FL if Customer provides TRES PALACIOS adequate assurances to make construction of the facilities economical to TRES PALACIOS. All requests for waiver shall be handled by TRES PALACIOS in a manner which is not unduly discriminatory. For purposes of determining whether a project is economical, TRES PALACIOS will evaluate projects on the basis of various economic criteria, which will include the estimated cost of the facilities, operating and maintenance as well as administrative and general expenses attributable to the facilities, the revenues TRES PALACIOS estimates will be generated as a result of such construction, and the availability of capital funds on terms and conditions acceptable to TRES PALACIOS. In estimating the revenues to be generated, TRES PALACIOS will evaluate the existence of capacity limitations downstream of the facilities, the marketability of the capacity, the Interruptible versus the firm nature of the service, and other similar factors which impact whether the available capacity will actually be utilized.

6.30 GENERAL TERMS AND CONDITIONS - OFF-SYSTEM CAPACITY

30. OFF-SYSTEM CAPACITY

TRES PALACIOS may, from time to time, acquire transportation and/or storage capacity on a third-party pipeline system. TRES PALACIOS will only provide transportation and storage services for others using such capacity pursuant to its open access FERC Gas Tariff subject to its rates approved by the Federal Energy Regulatory Commission, and the "shipper must hold title" policy is waived to permit such use.

6.31 GENERAL TERMS AND CONDITIONS - CREDITWORTHINESS - FINANCIAL ASSURANCES

31. CREDITWORTHINESS - FINANCIAL ASSURANCES

31.1 "Acceptable Credit Rating" means a Credit Rating for which Customer's Unsecured Collateral Limit is greater than Customer's Credit Exposure.

31.2 "Credit Rating" means the rating given to Customer's unsecured long term debt by Standard and Poor's Corporation ("S&P") or Moody's Investor Services, Inc. ("Moody's "). If both S&P and Moody's have issued a Credit Rating to Customer, the lower rating shall apply for purposes of this FERC Gas Tariff.

31.3 "Credit Exposure" means an amount equal to: (1) in the case of Firm Services to be provided by TRES PALACIOS using existing facilities, reservation charges payable at the rate specified in Customer's bid for service or Service Agreement for a period of three (3) Months or the duration of the Customer's bid or Service Agreement, whichever is shorter; (2) in the case of Interruptible services to be provided by TRES PALACIOS using existing facilities, the Interruptible charge(s) calculated on a one hundred percent (100%) load factor basis payable for a period of three (3) Months or the duration of the Customer's Service Agreement, whichever is shorter; or (3) for service that requires TRES PALACIOS to construct new facilities, an amount determined by TRES PALACIOS prior to the start of construction that is reasonable in light of the risks of the construction project, not to exceed Customer's proportional share of the cost of the facilities to be constructed (which amount shall be reduced as Customer pays off the obligation for construction of new facilities); plus, for each of (1), (2) and (3), the Market Value of Loaned Gas.

31.4 "Market Value of Loaned Gas" means the Customer's Loan Balance for service under Rate Schedules FL and IL, if any, multiplied by the sum of the NYMEX Henry Hub Swap and the NYMEX Tennessee Zone Zero Basis Swap, as posted on the [www.nymex.com](http://www.nymex.com) web site, for the period under which the loaned gas is scheduled to be returned pursuant to the Customer's Service Agreement(s). TRES PALACIOS shall calculate Customer's Market Value of Loaned Gas on a daily basis.

31.5 "Unsecured Collateral Limit" means the maximum amount of credit TRES PALACIOS will extend to a Customer, without Customer providing Financial Assurances pursuant to this Section 31, based upon the Customer's Credit Rating, as provided in the table below:

S&P AAA Moody's Aaa	\$25,000,000
S&P AA+ to AA- Moody's Aa1 to Aa3	\$15,000,000
S&P A+ to A- Moody's A1 to A3	\$5,000,000
S&P BBB+ to BBB- Moody's Baa1 to Baa3	\$1,000,000

S&P BB+ and lower	\$0
Moody's Ba1 and lower	

31.6 "Material Adverse Change" means the failure of Customer at any time to satisfy the requirements pertaining to creditworthiness set forth in Section 3.3, to maintain an Acceptable Credit Rating or to maintain or reinstate one of the forms of Financial Assurances specified in Section 31.10.

31.7 "Financial Assurances" means one or more of the forms of security set forth in Sections 31.10(a), 31.10(b), 31.10(c) and 31.10(d), in accordance with and in an amount as set forth in Section 31.10.

31.8 If Customer suffers a Material Adverse Change, Customer shall provide TRES PALACIOS with one or more of the forms of Financial Assurances as set forth in this Section 31. Customer shall provide such Financial Assurances within five (5) Business Days of written notice from TRES PALACIOS in an amount equal to one month of firm service reservation charges, one month of Interruptible service charges calculated on a one hundred percent load factor basis and/or the market value of Customer's loaned gas, each determined in the manner described in Section 31.10 below, as applicable. Customer shall fully comply with Financial Assurances provisions of Section 31.10 of these General Terms and Conditions within 30 days of written notice from TRES PALACIOS.

31.9 If prior to initiation of service Customer does not have an Acceptable Credit Rating, then, as a condition of TRES PALACIOS initiating service, Customer shall provide TRES PALACIOS with one or more of the forms of Financial Assurances provided in this Section 31.

31.10 A Customer that does not have, or at any time fails to maintain, an Acceptable Credit Rating shall provide to TRES PALACIOS, to secure its obligation to TRES PALACIOS pursuant to each of Customer's Service Agreements, one or more of the following forms of Financial Assurances:

(a) An irrevocable Letter of Credit, subject to the following:

(1) each Letter of Credit shall be in effect for the lesser of one (1) year or for the Term of the transaction plus 120 days. If the Term of the transaction plus 120 days is greater than one (1) year, Customer shall ensure that its obligation to TRES PALACIOS is secured continuously, and accordingly shall provide TRES PALACIOS with a replacement Letter of Credit no later than 120 days prior to the expiration of the then-effective Letter of Credit. TRES PALACIOS will return the expiring Letter of Credit to Customer within five (5) days of the date the Replacement Letter of Credit becomes effective;

(2) each Letter of Credit shall be in form and substance satisfactory to TRES PALACIOS, and shall provide for partial drawdowns and, without limiting the generality of the foregoing, shall be issued by a financial institution acceptable to TRES PALACIOS that is rated at least BBB- by Standard and Poor's Corporation and Baa3 by Moody's Investor Services, Inc.; and

(3) in addition to all other remedies available to TRES PALACIOS at law or in equity, if Customer fails to provide a replacement Letter of Credit in accordance with this Section 31.10(a), TRES PALACIOS may draw upon the expiring Letter of Credit to the full amount thereof and apply the funds so drawn in payment in whole or in part of the obligations of Customer under each or any of Customer's Service Agreements.

(b) Customer shall provide to TRES PALACIOS, to secure its obligation to TRES PALACIOS pursuant to each of Customer's Service Agreements, a Guaranty granted to TRES PALACIOS by Customer's direct or indirect parent (the "Guarantor"), provided that the amount of such Guaranty shall not exceed the Unsecured Collateral Limit for such parent determined using the above criteria and parent's Credit Rating. The Guaranty shall be in a form acceptable to TRES PALACIOS and the provisions of this Section shall apply to the Guarantor as if the Guarantor were the Customer;

(c) If Customer has requested, TRES PALACIOS may accept other forms of Financial Assurances to secure Customer's obligations under the Service Agreements, provided that TRES PALACIOS may reject or accept such other forms of Financial Assurances in a manner that is not unduly discriminatory;

(d) Customer shall prepay for service in an amount as set forth immediately below, provided that such prepayments shall be considered collateral held for security and not advance payments for services and that Customer may deposit its prepayment funds into an interest-bearing escrow account established by Customer granting TRES PALACIOS access to the account for payment of services under Customer's Service Agreement(s).

The dollar value of the Financial Assurances set forth above in this Section 31.10 to be provided by Customer shall be in an amount equal to Customer's Credit Exposure minus Customer's Unsecured Collateral Limit. TRES PALACIOS shall re-compute the dollar value of Financial Assurances Customer is required to provide on a daily basis. TRES PALACIOS shall notify Customer when such re-computation indicates that additional credit support is required to comply with the requirements of this section based on a 10% increase in the daily computation of the amount of Financial Assurances over the Financial Assurances previously provided by Customer. Customer shall have two (2) Business Days to comply with a notification by TRES PALACIOS of insufficient credit support.

31.11 Customer's obligation to maintain an Acceptable Credit Rating or to provide Financial Assurances shall continue for so long as the Parties are bound by the Service Agreements and all transactions entered into thereunder. This obligation shall terminate when Customer has performed or satisfied all of its obligations under the Service Agreements and, upon such termination, TRES PALACIOS shall return to Customer, if applicable:

(a) the Letter of Credit and funds held by TRES PALACIOS as security pursuant to Section 31.10(a) then in its possession but only

to the extent it has not then applied such funds pursuant to this FERC Gas Tariff to the debts, expenses, costs, assessments and liabilities payable by Customer to TRES PALACIOS pursuant to the provisions of the Service Agreement(s);

(b) the Guaranty held by TRES PALACIOS pursuant to Section 31.10(b);

(c) any security accepted by TRES PALACIOS pursuant to Section 31.10(c); or

(d) any amount prepaid by Customer pursuant to Section 31.10(d) not required to pay charges for service rendered under the Service Agreements.

6.32 GENERAL TERMS AND CONDITIONS - DISPOSITION OF RETAINED QUANTITIES

32. DISPOSITION OF RETAINED QUANTITIES

In the event that TRES PALACIOS holds an auction for Gas quantities retained pursuant to Section 8 of Rate Schedule FSS, Section 8 of Rate Schedule FP, Sections 2 or 8 of Rate Schedule ISS, Sections 2 or 8 of Rate Schedule IHBS, or Sections 2 or 8 of Rate Schedule IP, TRES PALACIOS shall post such quantities on the Internet Web Site as soon as reasonably practicable. TRES PALACIOS shall accept bids only during the time period from 7:00 a.m. until 11:00 a.m. CCT on the second Business Day following such posting. TRES PALACIOS shall award purchase of the Gas to the Customer submitting the highest bid, and shall notify the Customer submitting the highest bid prior to 4:00 p.m. CCT of the same Day on which TRES PALACIOS accepts bids; provided, however, TRES PALACIOS reserves the right to reject all bids. When the Gas is purchased at auction, Customer must provide identification of the existing Service Agreement with TRES PALACIOS under which Customer shall store the Gas in TRES PALACIOS' facilities.

TRES PALACIOS shall credit the net proceeds received from such auction to all Customers whose Gas was not so purchased or retained ("Qualifying Customer") based on the ratio of the total charges paid by each Qualifying Customer for service to the total amount of such charges paid by all Qualifying Customers during the Month in which the auction of Gas occurred. For the purposes of this Section, the term "net proceeds" shall mean the total proceeds received from the auction less any costs TRES PALACIOS incurred as a result of conducting the auction or the purchase or retention of Customer's Gas.

Such credits shall be calculated for each Month of the twelve (12) Month period ending July 31 of each year and will be included on the Qualifying Customers' invoices for the Month following the date of the final Commission order approving TRES PALACIOS' penalty disbursement report; provided, however, that TRES PALACIOS will calculate and include such credits on Qualifying Customers' invoices for a period shorter than twelve (12) Months in the event and to the extent that the total accumulated amount pursuant to this Section 32 by TRES PALACIOS as of the end of any Month exceeds \$1,000,000. TRES PALACIOS will file a penalty disbursement report within sixty (60) days of July 31 or sixty (60) days after the end of the Month in which the revenue collected exceeds \$1,000,000. Any revenues credited to Qualifying Customers pursuant to this Section shall include interest calculated in accordance with Section 154.501(d) of the Commission's regulations.

6.34 GENERAL TERMS AND CONDITIONS - TRANSACTION CONFIRMATION PROCEDURE

34. TRANSACTION CONFIRMATION PROCEDURE

34.1 TRES PALACIOS and a Customer may use the Transaction Confirmation procedure set forth in this Section 34 to confirm their agreement(s) regarding storage and hub services to be provided by TRES PALACIOS. Should TRES PALACIOS and Customer come to an agreement regarding a storage or hub service transaction, TRES PALACIOS shall, and the Customer may, record that agreement on a Transaction Confirmation, which shall include all of the information required under the applicable form of Service Agreement set forth in this Tariff, and communicate such Transaction Confirmation by e-mail or other mutually agreeable electronic means, to the other party by the close of the Business Day following the date of agreement. TRES PALACIOS and Customer acknowledge that their agreement will not be binding until the exchange of non-conflicting Transaction Confirmations or the passage of the Confirm Deadline without objection from the receiving party, as provided in Section 34.2.

34.2 If a sending party's Transaction Confirmation is materially different from the receiving party's understanding of the agreement referred to in Section 34.1, such receiving party shall notify the sending party via e-mail or other mutually agreeable electronic means by the Confirm Deadline, unless such receiving party has previously sent a Transaction Confirmation to the sending party. The failure of the receiving party to so notify the sending party in writing by the Confirm Deadline constitutes the receiving party's agreement to the terms of the transaction described in the sending party's Transaction Confirmation. If there are any material differences between timely sent Transaction Confirmations governing the same transaction, then neither Transaction Confirmation shall be binding until or unless such differences are resolved including the use of any evidence that clearly resolves the differences in the Transaction Confirmations.

34.3 For purposes of this Section 34, "Confirm Deadline" shall mean 5:00 p.m. in the receiving party's time zone on the second Business Day following the Day a Transaction Confirmation is received; provided, if the Transaction Confirmation is time stamped after 5:00 p.m. in the receiving party's time zone, it shall be deemed received at the opening of the next Business Day.

7.8 FORM OF SERVICE AGREEMENT FOR -  
CAPACITY RELEASE UMBRELLA AGREEMENT UNDER  
RATE SCHEDULES FSS, FWS, NNSS, FP AND FL

This Capacity Release Umbrella Agreement, made and entered into this \_\_\_ day of \_\_\_\_\_, \_\_\_\_\_ by and between \_\_\_\_\_, a \_\_\_\_\_ (herein called "Replacement Customer"), and TRES PALACIOS GAS STORAGE LLC, a Delaware limited liability company herein called "TRES PALACIOS", (each of TRES PALACIOS and Customer, a "Party," and collectively, the "Parties").

W I T N E S S E T H:

WHEREAS,

NOW, THEREFORE, for and in consideration of the mutual covenants and promises herein contained, the Replacement Customer and TRES PALACIOS hereby agree as follows:

ARTICLE I  
SCOPE OF AGREEMENT

Subject to the terms, conditions and limitations hereof, so long as the financial evaluation and credit appraisal requirements are met in order for Replacement Customer to be on TRES PALACIOS' approved bidder list for capacity releases and to execute this Capacity Release Umbrella Agreement pursuant to Section 4 of the General Terms and Conditions of TRES PALACIOS' FERC Gas Tariff, and this Capacity Release Umbrella Agreement is effective, Replacement Customer may bid from time to time on proposed capacity releases under Rate Schedules FSS, FWS, NNSS, FP and FL pursuant to the procedure set forth in Section 4 of TRES PALACIOS' General Terms and Conditions. If at any time a bid submitted by Replacement Customer is accepted by TRES PALACIOS with respect to a given capacity release, TRES PALACIOS will promptly finalize the appropriate Addendum to this Capacity Release Umbrella Agreement, in the format attached hereto. The parties agree that each Addendum is an integral part of this Capacity Release Umbrella Agreement as if executed by the parties hereto and fully copied and set forth herein at length and is binding on the parties hereto. Upon finalization of such Addendum, Replacement Customer and TRES PALACIOS agree that Replacement Customer shall be considered for all purposes as a Customer with respect to the released service.

Upon the finalization of an Addendum, subject to the terms, conditions and limitations hereof and of TRES PALACIOS' Rate Schedules FSS, FWS, NNSS, FP and FL, TRES PALACIOS agrees to provide the released service for Replacement Customer under the applicable Rate Schedule, provided however, the Replacement Customer shall have qualified under the financial evaluation and credit appraisal requirements set forth in Section 3 of TRES PALACIOS' General Terms and Conditions at the time it submitted the bid TRES PALACIOS accepted with respect to such release.

Replacement Customer hereby agrees promptly to provide any information necessary for TRES PALACIOS to reevaluate TRES PALACIOS' credit appraisal as contemplated by Section 3 of TRES PALACIOS' General Terms and Conditions and to advise TRES PALACIOS of any material change in the information previously provided by the Replacement Customer to TRES PALACIOS.

ARTICLE II  
TERM OF AGREEMENT

The term of \_\_\_\_\_ this Capacity Release Umbrella Agreement shall commence on \_\_\_\_\_ and shall continue in force and effect until \_\_\_\_\_ and \_\_\_\_\_ to \_\_\_\_\_ thereafter unless this Capacity Release Umbrella Agreement is terminated as hereinafter provided. If TRES PALACIOS determines at any time that Replacement Customer fails to meet the financial standards or credit criteria of Section 3 of the General Terms and Conditions, TRES PALACIOS may terminate this Capacity Release Umbrella Agreement and all Addenda attached hereto prospectively in accordance with Section 3 the General Terms and Conditions of TRES PALACIOS' FERC Gas Tariff.

ARTICLE III  
RATE SCHEDULES

This Capacity Release Umbrella Agreement does not have separate terms and conditions for particular services, but only provides a means by which a Replacement Customer may utilize a service subject to the applicable provisions of the relevant Storage Service Agreement and the terms and conditions for Rate Schedules FSS, FWS, NNSS, FP and FL, by finalization of a copy of an Addendum attached hereto and fully incorporated herein as a part of this Capacity Release Umbrella Agreement.

Replacement Customer agrees that TRES PALACIOS shall have the unilateral right to file with the appropriate regulatory authority and make changes effective in (a) the rates and charges applicable to service pursuant to this Capacity Release Umbrella Agreement (b) the terms and conditions of this Capacity Release Umbrella Agreement, pursuant to which service hereunder is rendered or (c) any provision of the General Terms and Conditions applicable to this Capacity Release Umbrella Agreement. TRES PALACIOS agrees that the Replacement Customer may protest or contest the aforementioned filings, and the Replacement Customer does not waive any rights it may have with respect to such filings.

ARTICLE IV  
ADDRESSES

Except as herein otherwise provided or as provided in the General Terms and Conditions of TRES PALACIOS' FERC Gas Tariff, any notice, request, demand, statement, bill or payment provided for in this Capacity Release Umbrella Agreement, or any notice which any Party may desire to give to the other, shall be in writing and shall be considered as duly delivered when mailed by registered, certified, or regular mail to the post office address of the parties hereto, as the case may be, as follows:

(a) TRES PALACIOS: \_\_\_\_\_  
\_\_\_\_\_

AND RELEASING CUSTOMER

The parties recognize that, pursuant to Commission orders, Releasing Customer may require that the Replacement Customer agree that a breach of this Capacity Release Umbrella Agreement, including a failure to pay, or to pay timely, by Replacement Customer under this Capacity Release Umbrella Agreement, constitutes a breach of contract as between Replacement Customer and Releasing Customer. 8.4. No presumption shall operate in favor of or against any Party as a result of any responsibility or role that any Party may have had in the drafting of this Agreement.

8.5. This Agreement shall not create any rights in third parties, and no provisions hereof shall be construed as creating any obligations for the benefit of, or rights in favor of, any person or entity other than TRES PALACIOS or Customer.
